GALLAUDET'S
PREXY IS "BIE"
DAY SPEAKER

Climaxing the third annual "BIE Day" in Gettysburg on Thursday, November 14, will be a dinner program at 6 o'clock in the cafeteria of the new Gettysburg Senior High School.

Speaker for the program will be Dr. Leonard M. Elstad, president of Gallaudet College, Washington, D. C.

During the day, men and women connected with business and industry in this community have been invited to visit the schools and attend special programs that are planned for them. Superintendent of Schools H. Edgar Riegle has announced.

AFTERNOON PROGRAM

After coffee and doughnuts between 9:30 and 10 a.m., the visitors from business and industry will visit classrooms and then eat lunch in the cafeteria of the building they are visiting. There will also be tours of the school building.

An afternoon program is planned to begin at 1 o'clock in the general purpose room of the Keefauver Elementary School building when Supt. Riegle and key members of the school staff will explain the school organization, its financing, curricula and general operation. The program will conclude about 3 p.m. to permit visitors to leave before the traffic congestion that accompanies the movements of the school buses at dismissal. Visitors who wish to do so may stay beyond 3 p.m. to talk with teachers, administrators or inspect school facilities.

The visitors from business and industry, school teachers and staff members and school directors are being invited to the dinner program in the evening. There will be special musical numbers during the evening by high school students.

For the first two "BIE Days" here, local businesses and industries were hosts to visitors from the school system with an evening dinner at the Hotel Gettysburg on each occasion.

FAIRFIELD HS
GIVES COMEDY
FRIDAY NIGHT

Fairfield Joint High School's Class of 1964 Friday night will present "Father's Been to Mars," a space age comedy by William Dalzell and New Mitzman on the Fairfield school stage. Curtain time is 8:15.

Gary H. Bechtel, of the Fairfield High School faculty, advisor to the production, describes it "as timely as tonight's telecasts. Written by two network TV writers, it is a riotous farce about a TV star, his space show and family. After three and a half years of blasting through outer space on his TV show Larry Gibson, played by Donald Dick, finds it difficult to make the change each evening from space hero Captain Galaxy to husband and father."

"His habit of wearing his space outfit at home and talking as if he lived in the 25th century is a source of constant embarrassment to his 18-year-old daughter, Gloria, portrayed by Gertrude Morduff. Even his wife, Mildred, played by Sandra McClellan, finally rebels against this interplanetary world when he brings Countess Vilma, the sultry and ruthless space villainess of his program, home just in time to disintegrate her sewing circle."

"The results of this rebellion provide for laughs as Larry gets a taste of his own space medicine and learns that being ahead of his time is not always the best way to keep a family together. In the end, all works out for the best."

Others in the cast include Janet Stern, Louise Graff, Nancy Naege, Jenny Ruth, Ruth Dagenhart, Linda Barlow, Clark Reeve and Tim Heare.

Building Fund
Benefit Planned

Plans for a candy and holiday fruit sale Saturday on Lincoln Square at the Plaza were outlined Tuesday evening at a meeting of the board of the Gettysburg Youth Center at the center on N. Washington St. Proceeds from the sale will go into the building fund.

Other activities announced at the meeting included a session of the Automedics this evening at 7 o'clock at the center; a dance there Friday evening from 7:30 to 10:15, during which period the game room will also be open; a "pizza hop" Saturday night from 7:30 to 10:30 with the pizzas donated by the Hoagie House.

Mrs. Rex Maddox reported 17 books of green stamps have been secured so far and asked further donations of stamps.

JR. FIREMEN TO
CANVASS FOR
XMAS LIGHTS

Gettysburg's Junior Firemen will make a door to door collection November 19 for the community's Christmas lights and decorations.

Meeting Wednesday evening at the engine house on E. Middle St., the Junior Firemen agreed to a request by Frank Hower and Charles W. Pentz that they assist in raising the approximately \$2,000 needed to put up the Christmas decorations for the town.

A mail campaign is underway now by the Retail Merchants soliciting business places and professional offices for funds and it is hoped that campaign will raise possibly \$1,000 or more toward the annual holiday lights program. Persons solicited, or those who wish to send their donation direct, may mail their checks to Retail Merchants, Post Office Box 292, Gettysburg.

50 WILL HELP

At Wednesday's meeting it was estimated that about 50 of Junior Firemen will tour the town on the evening of November 19 from about 5 o'clock until about 9 to obtain donations from the residents of the borough. If they fail to complete the canvass November 19 they will visit the missed areas on November 20. Because of the size of the town, there will be no time for call-backs and persons who are missed are asked to send their donations directly to Retail Merchants.

HOPES SCHOOLS
WILL USE NEW
CLASSROOM TV

The hope that all Adams County schools will participate in the educational television program expected to be on the air for south Central Pennsylvania by next September was expressed by D. Bruce Conner, assistant Cumberland County superintendent of schools, in a talk to Adams County school teachers Wednesday evening.

Conner spoke at the annual banquet of the county branch of the Pennsylvania State Education Association in the New Oxford High School cafeteria.

President Cecil Snyder of Biglerville, county branch president, presided at the dinner with 168 members and guests in attendance. Conner was introduced by Clyde Cover, a former county president.

SELECTION STAFF

Mr. Conner, who is chairman of the personnel committee of the recently-formed South Central Regional Broadcasting Council which includes Adams County, reported on the progress being made with the plans for the establishment of an educational TV station at Hershey to cover a nine-county section of this part of the state. He said his committee is interviewing prospective staff members with the hope that the organization can begin functioning by January 1.

He told teachers they will have to learn to make the most ad- (Continued On Page 3)

This is over and above the normal press run of 9,000 daily.

Unique in design and makeup and with displays limited to Lincoln tributes and quotations, all of the same size and typography and without commercial copy, the

edition is one that never before has been attempted by a newspaper.

It will make newspaper history and is certain to be a collector's item.

Due to the long press run, the first section of this edition which because of its

association with the greatest expression in the English language could only be published in Gettysburg, will go to press on Monday. Applications for displays will, of necessity close Tuesday, November 12.

GENERAL HAY
TO BE VETS'
DAY SPEAKER

Major General Malcolm Hay, former adjutant general of Pennsylvania, will be the speaker Sunday afternoon at 3 o'clock at the services in the National Cemetery in observance of Veterans' Day. The cemetery program follows a service at 11 o'clock that morning in the Majestic Theater and a parade through the town at 2:30 o'clock that afternoon.

Mayor William G. Weaver, a retired Army colonel, will preside at the National Cemetery exercises. The Delone Catholic High School band will play the National Anthem. Following the invocation and introduction of guests and rostrum personnel, General Hay will speak. "America, The Beautiful"

NEW OXFORD
BOARD TO BUY
\$75,000 BOND

The New Oxford Area School District directors Wednesday evening voted to invest \$75,000 in a 90-day time certificate, at 4 per cent interest, after payment of \$66,507.08 in current expenses and rental of the elementary school showed a balance of approximately \$125,000. Income for the month included \$191,000 in reimbursements and taxes.

Current bills amounted to \$36,307.08 and included \$28,477.02 for teachers' salaries. Rental for the elementary building is \$30,100, due Nov. 15.

The board also employed Mrs. Susan Horne, a June graduate of Gettysburg College, to teach English at a starting salary of \$4,200, and approved the purchase of Blue Cross insurance for teachers from the Connecticut General Insurance Co. The school board will pay 75 per cent of the cost and the teachers will pay the balance. The contract price is \$6.12 per teacher. John W. Budd, who made the recommendation, said the firm was low bidder for the contract.

TO LAY SIDEWALK
Harry Baugher, reporting for the sidewalk committee, said that Ruhlman Brothers, Hanover contractors, had been awarded the contract to install curbing and sidewalks from the Berlin Road to the elementary building at \$2 a foot for curbing and 55 cents a square foot for the walk for a total of \$2,137.50. Baugher reported that work has already started and that the project will be completed before cold weather sets in. The board authorized Charles W. Hash, supervising principal, to take the responsibility of having fill hauled in to provide adequate freeze protection for the curbing if the borough is unable to supply material.

ARRESTED AS DISORDERLY

Jack Smith, Chambersburg St., was arrested by borough police Wednesday and placed in the county jail on a disorderly conduct charge after he was reported as being in the high school,

To Attend Marshall
Library Dedication

3 School Districts
To Get Pa. Money

The three third class school districts in Adams County are due to receive this week payments of state subsidies totaling \$405,182.10 representing about 60 per cent of the total they will receive from the state for this school year. Fourth class districts received their payments in October.

The largest sum goes to the Upper Adams Merged district which receives \$172,249.06. The New Oxford Area merged district will get \$130,213.53 and the Gettysburg Area Merged district which includes Gettysburg and Freedom and Highland Twp., will get \$102,719.51.

Notice of the forthcoming payments was received by the office of the county superintendent of schools, M. Francis Coulson.

Rescuers Hoist 11 Miners
From Underground Tomb;
Trapped There 2 Weeks

By LOYAL GOULD
Associated Press Staff Writer
BROISTEDT, Germany (AP)—Eleven men were rescued today from a flooded iron mine two weeks after they were entombed and given up for dead.

A huge drilling rig broke through early today to the gallery 183 feet below the surface where they had taken refuge when disaster struck Oct. 24.

The shaft was quickly reinforced by steel tubing, and one by one the bearded, haggard men were brought to the surface in a bomb-shaped rescue capsule.

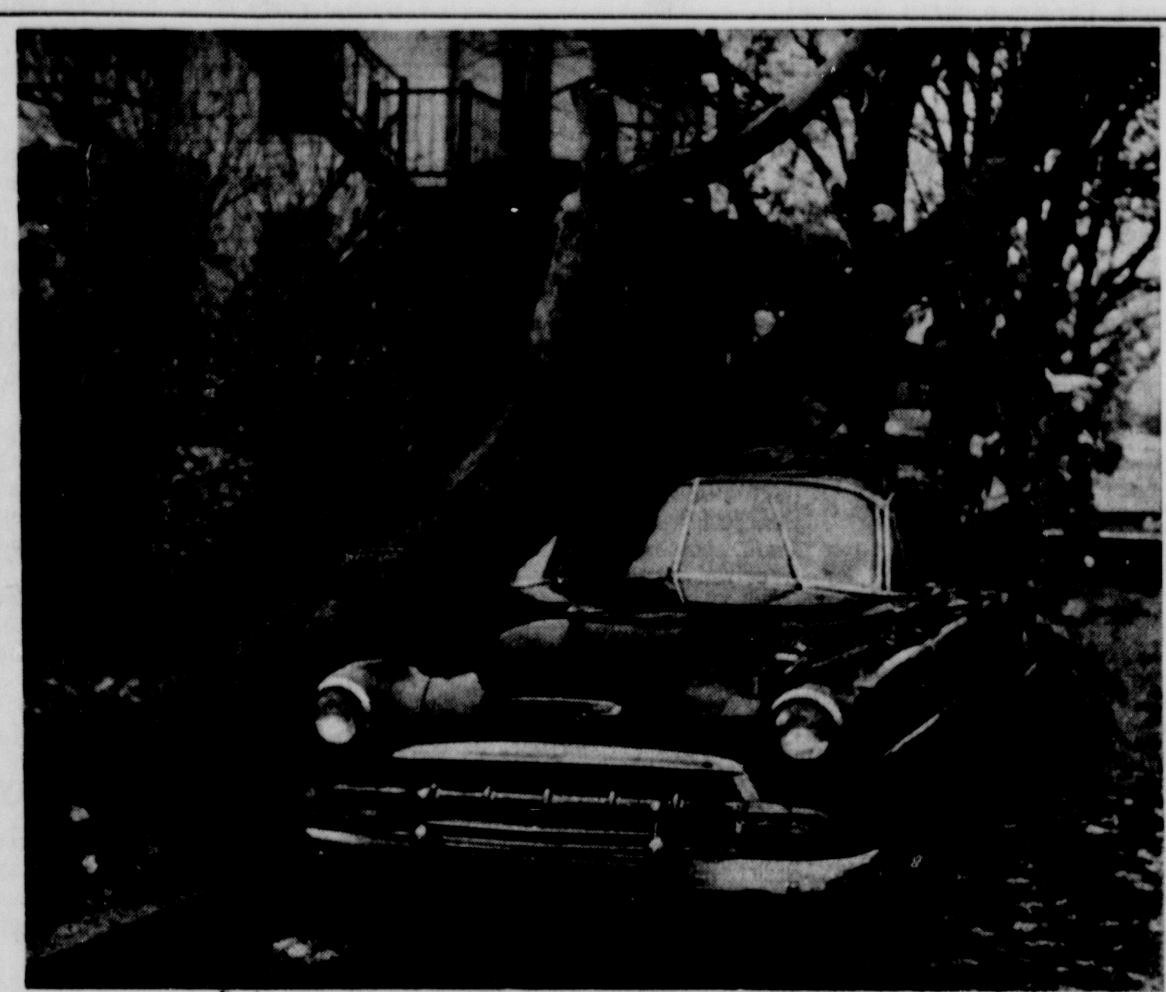

LOCATED SUNDAY

There were located Sunday and since then had been supplied with food through a shaft less than two inches in diameter.

Heinz Kull, 51, was the first miner to reach the surface. As he was taken from the rescue capsule, a hush fell over

Tree Falls On Automobile

A large maple tree which had been standing on Seminary Ave. for many years "gave up the ghost" this morning and collapsed. It fell across the parked automobile of E. E. Leatherman whose residence fronts on Buford Ave. The tree carved a fairly deep dent in the top of the vehicle. The owner of the damaged vehicle seemed unmoved. "I guess it was an act of God," he told a photographer. (Lane Studio)

GRANDSON OF
LOCAL COUPLE
AT SOUTH POLE

J. Evan Deardorff, grandson of Mr. and Mrs. Edgar Deardorff, Carlisle St., is enroute to McMurdo Sound, Antarctica, where he will arrive November 10 to assume his duties as a cosmic ray physicist at a research station established several years ago by the Bartol Research Foundation of Franklin Institute, Philadelphia.

Deardorff, who is the son of Dr. and Mrs. John E. Deardorff, Boalsburg, will spend 14 months in the Antarctica where he will install and maintain new equipment for the detection and measurement of cosmic rays and to analyze the data he obtains during his stay there. The U.S. is one of 10 nations maintaining research centers in the area, which is completely isolated except for radio contact from March through September when the temperature drops to as low as 100 degrees below zero.

Times Has New
Phone System

The most modern telephone system available went into operation today at The Gettysburg Times. It is designed to expedite incoming and outgoing calls to every department of the company.

The new system is considered by United Telephone Company to be the ultimate in telephone service and will permit employees to bypass the switchboard operator in placing outside calls.

All incoming calls will be made through 334-1131, including calls to the social desk. Until all social contacts are advised of the number change, the telephone company will intercept calls made to the previous social desk number and advise callers of the correct number. The interceptions may continue as long as six months.

The new system, which is called an "Automatic Switchboard System," provides The Times with eight trunk lines and 24 extensions to inside telephones. The system also provides automatic intercommunications within the plant.

DRACHA TALKS
TO TEACHERS

Wilmer Dracha, who recently completed a visit to Yugoslavia, was the principal speaker Tuesday evening at a meeting of the Gettysburg branch of the Pennsylvania State Education Association, held in the cafeteria of the Gettysburg High School. Mr. Dracha showed slides and offered commentary related to his trip.

The pictures showed life in the city as compared with that of the farmer-peasant. Mr. Dracha commented at length on the backwardness of the "hill people" but pointed out that they are "very happy people" in spite of the living standard which affords few modern conveniences.

In the business meeting, which preceded the showing of the slides, Edward Brownley reported on the progress of the salary committee. Mrs. Forrest Craver reported on a public relations conference held in Harrisburg in October, which she and John O'Brien attended.

Other reports were given by Mrs. Ruth S. Wisler, for the membership committee; Miss Carla Vost, welfare committee; Hobart Benchoff, legislative committee, and Jack R. Corbin, program.

H. Edgar Riegle, superintendent of schools, explained procedures to be followed on November 14, when businessmen of the community will visit the schools in celebration of National Education (Continued On Page 3)

BIGGEST RAIN
IN 18 MONTHS
CUTS DROUGHT

Showers that may continue into Friday had brought the November rainfall to 2.54 inches by 9 o'clock this morning, making it the heaviest continuous rainfall here since April of last year when there was intermittent rain for eight consecutive days.

The rains that began here Tuesday evening and have continued almost without intermission since that time have already brought November rainfall to within an inch of normal for the entire month. The month normally gets 3.39 inches of rain. Last November the total was 4.09 inches.

The current showers have lifted this year's total rainfall to 25.49 inches which means that 1963 cannot set a new drought record in Gettysburg weather annals. That distinction is held by 1930 when the entire year's rainfall was only 23.63 inches.

STREAMS RUNNING AGAIN

In the first seven days of this month, five of them have had measurable amounts of rainfall after an October that was rainless except for its closing hours. Those showers came after weather records for October were closed and the four hundredths of an inch of rain that fell here the evening of October 31 were credited to November in weather records.

Rock Creek and other smaller county streams that have been dry for months were flowing again this morning and community water supplies were being replenished after months of drought.

At the beginning of this month, 1963 was short 12.71 inches from normal rainfall. Eight of the first 10 months of the year had rainfall shortages. It is very unlikely that November and December precipitation will bring the year's total close to normal but fall showers could do much to cut down the year's unusual shortage. Last year was five inches short and the year before was two inches below normal.

HIGHWAY TOLL
IS RISING IN
ADAMS COUNTY

The accident toll on Adams County highways continues to rise, according to the state police report of investigations during October.

The 49 accidents to which the state police were summoned during October were the largest number in the county in any month so far this year. One person was killed, 44 were hurt and damage was \$43,075 in the 49 crashes.

State police also reported an increase in the number of persons charged with traffic code violations, with 160 arrests made during the month.

15 LOST LIVES

During the first 10 months of this year there were 366 auto accidents investigated by the state police. Fifteen persons were killed and 268 others injured in the accidents. Damage was estimated at \$246,444.

The state police report does not tell the whole story of carelessness on the highways. In addition to the investigations by state police there are also the accidents investigated by police in various boroughs and townships of the county. Nine were investigated by Gettysburg borough police alone last month. And there are also numerous accidents, possibly as many as are investigated, which occur through the county and to which police are not summoned for various reasons.

The accidents during October compare to 34 in October, 1962, in which one person was killed, 29 were less seriously injured and damage was \$23,015. The police made 154 traffic arrests in October a year ago.

TWO DIRECTED
VERDICTS IN
DAMAGE CASES

An Adams County jury Wednesday handed up two directed verdicts awarding Mr. and Mrs. Fred F. Titchener, Cortland, N.Y., \$6,500 damages resulting from an accident April 19, 1961, seven miles south of here on the Emmitsburg Rd. The verdicts were against R. A. Hiner, E. York St., Biglerville.

The last jury trial scheduled for the current term of court, the trespass action of Fred F. and May S. Titchener against R. A. Hiner opened with announcement that a settlement had been reached in the action and that the jury should return verdicts finding in favor of Fred F. Titchener and against R. A. Hiner in the sum of \$3,500 and finding in favor of May S. Titchener and against R. A. Hiner in the sum of \$3,000. The second verdict also found in favor of Fred F. Titchener, who had been named as an additional defendant.

According to the complaint, Titchener was driving north on the Emmitsburg Rd. with his wife (Continued On Page 2)

DIES SUDDENLY
AT FAIRFIELD

William D. Kennedy, 53, died suddenly at the home of Mr. and Mrs. Guy Seifert, Fairfield, Wednesday afternoon at 3:35 o'clock.

He was born in Pierce County, North Dakota, a son of the late Cloyd D. and Sarah Miller Kennedy. He had resided at Fairfield for the last eight years and was a clerk in the Reindollar Hardware Store.

He is survived by one, son, Thomas, South Mountain. Funeral services will be held Saturday at 2 o'clock at the Wilson Funeral Home, Fairfield, with the Rev. Robert Paden, pastor of the United Church of Christ, Fairfield, officiating. Interment in Strang's Cemetery, South Mountain.

Friends may call at the funeral home Friday evening after 7 o'clock.

TAKE STEPS TO BETTER SERVE HOSPITAL HERE

At the monthly meeting of the pastoral fellowship of the Adams County Council of Churches at the Warner Hospital Monday a move was started "to better understand the workings and the difficulties of hospital administration and to determine how the pastor in the community may best serve in his role of visitor to the sick who are confined to the hospital."

The Lutheran Seminary is conducting a course for senior students who serve as hospital chaplains. The course is under the direction of Rev. Herman Stumpfle. Students visit all incoming patients and ascertain if the patient's pastor knows of their hospitalization. If not the students notify the local pastor who then visits his parishioners in the hospital. Those who are admitted to the hospital who are not affiliated with any church are ministered to by the student chaplain and by the pastor chaplain from the fellowship who are assigned to this task on a weekly basis. "It is hoped through such cooperation that the spiritual needs of all patients in the local hospital will be adequately met," a spokesman said.

DILLON SPEAKS

A report was presented on the county Reformation service held at the Church of the Abiding Presence October 27. This service was termed "one of the most successful in several years." It was also announced that the pastoral fellowship Christmas party for all members and their families will be held December 2 at 6:30 p.m. in St. James Lutheran Church.

Walter Dillon, hospital administrator, spoke briefly. Prior to the meeting those in attendance were guests of the hospital at a luncheon.

15 Women Taking Girl Scout Course

The Penn-Laurel Girl Scout Council is offering a diversified training program for adults. Approximately 20 residents in the East Berlin-York Springs area have registered for the course.

Each course is staffed by competent, well-trained instructors. The course now in session in the East Berlin-York Springs area is being held at the VFW in East Berlin and at the Methodist Church in York Springs. The instructor is Mrs. Donald Fair, 609 Red Patch Ave. Those who registered for the course are Mrs. Melvin Worley, Mrs. Ray K. Breighner, Patricia McCarthy, Mrs. Clarence Seemann, Mrs. Claire E. Husted, Wilma Shearer, Edna Kennedy, Elaine Renew, Lois Baker, Janet Howe, Mrs. John Pihl, Frances Jacoby, Caroline Sterrett, Mrs. Norman Lody and Joan Boland.

Encourage Parents To Visit Schools

To encourage more parents to visit their children's schools next week, which is National Education Week, the York Springs Elementary Parent-Teacher Association has announced a baby sitting service "so that parents may visit more freely."

The PTA not only offers to provide baby sitters but offers to provide transportation and hostesses at the schools to make parents feel welcome and to guide them to the classrooms of their choice.

The baby-sitting service will be provided at the school buildings, Mrs. Ruth Detweiler, PTA president, said, "The York Springs PTA is encouraging every parent to take advantage of American Education Week to visit their children's schools."

Eagle Scout To Get Bronze Palm

Daniel Eisenhart, a member of Explorer Post 75 of the Gardners-Aspers-Idaville area, qualified for the "bronze palm" to the Eagle award at a board of review held by the Black Walnut Boy Scout District Wednesday evening at the engine house, E. Middle St. The bronze palm goes to boys who have received the Eagle award and then obtain five merit badges in addition to the 21 they secured for the Eagle rank.

Daniel Taylor and Roger Brough of Explorer Post 75, qualified for the Life rank. Kenneth Sell of Troop 70, Arendtsville, and Jerry Hartzell of Troop 78, Gettysburg, qualified for Star rank.

Members of the board of review were Merville Zinn, M. Hardy Nichols and David C. Houck.

At a meeting of the VFW Auxiliary at the post home Wednesday evening the following contributions were voted: \$10 to the VFW National Home at Eaton Rapids, Mich., and \$5 to the Department of Pennsylvania canteen for books. Mrs. Erma Keefe reported that gifts were presented to county home guests who had county birthdays and candy and cookies were given to the others. Mrs. Dorothy Pinko reported on the recent meeting of the Women's Civic Council and Mrs. Gwendolyn Hollabaugh reported on the Halloween parade. Plans were announced for a food sale at the auxiliary party to be held November 21 at the post home. Members are asked to bring donations to the home at 7 o'clock that evening. The door prize was won by Mrs. Keefe; Ruth M. Miller won the pig-in-the-poke and the special prize went to Mildred Houck. The annual Christmas party for the auxiliary and children will be held December 4 at 6:30 o'clock. Those attending are asked to bring a \$1 gift for an adult and a 50-cent gift for every child they bring. Mrs. Kathryn Moser, president, presided, with 12 members present.

Mrs. William L. Scott, R. 2, observed her 91st birthday anniversary Tuesday.

Delta Gamma of Gettysburg College has recently pledged Miss Kay Pyle, R. 1, and Miss Carol Leinart, Biglerville. The latter has also been made a member of the Booster Club.

Mrs. Donald Trostle and son, Donald, and daughter, Diana, Baltimore St., left this morning for Binghamton, N.Y., to attend the funeral of the former's grandfather, Nunzio Mazza, who died Tuesday afternoon.

At a meeting of the Annie Danner Club at the YWCA Tuesday evening contributions of \$5 were voted to the town's Christmas decorations and \$10 to the Youth Center. A rummage sale will be held November 22. The club will assist with the world fellowship festival of the Y to be held in the Hotel Gettysburg pressroom November 16. The Joan of Arc Club of the Hanover YWCA will join the local club in its annual Thanksgiving banquet to be held November 19 in the local Methodist Church. At a meeting next week a list of the guests at the county home will be available for members to select those whom they wish to remember at Christmas. Devotions were conducted by Mrs. Lottie Harmon, Mrs. Ruth Johns and Mrs. Arlene Murray. Mrs. Evelyn Brown, president, presided, with 18 members present.

At a meeting of the Marsh Creek Homemakers group held in the community room at the West St. bank Wednesday evening Mrs. Harold Day, Mrs. George Gilbert and Mrs. William Teeter demonstrated "Christmas Decorations," making bells out of tin can lids, using syring jugs and bottles for decorations, decorating styrofoam in various forms with greens and sequins and making Christmas cards and place cards. The hostesses were Mrs. Charles E. Doersom and Mrs. Guyon E. Buehler and refreshments were served to 18 members and guests. Mrs. Day, president, presided at the business meeting. Several of the exhibited items were given as draw prizes to Mrs. Howard Williams, Mrs. Charles L. Lott and a guest, Mrs. Fred Graeff.

Ballots Cast By 69 Pct. Of Eligibles

More than 69 per cent of Adams County's voters turned out Tuesday for what was probably a record number for an "off-year" election. A total of 15,845 of the 22,853 voters eligible cast their ballots.

As a result, the county got a "bargain rate" as far as the cost per ballot was concerned, with the cost per vote being a little over 39 cents. Usually in the "off years," the cost runs about 50 cents apiece. The cost is figured by dividing the 15,845 votes cast into the \$6,218.68 paid out for election officials, cost of the ballots, rentals for balloting places, payment to janitors, etc.

Today Mrs. Ruth A. Frey, Abbottstown R. 1, successful in her campaign for re-election as a county auditor, was the first candidate to file an expense account at the commissioners' office. The report showed she spent "less than \$150."

Candidates have until December 5 to turn in their campaign expense reports to the county office.

Siamese Twins Born In Argentina

MERLO, Argentina (AP) — Siamese twins have been born here and are still living, Dr. Jorge Dalmiro Dameri announced today.

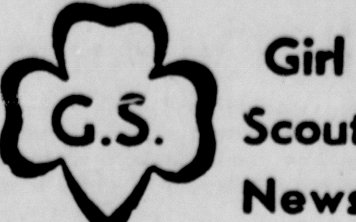

"They are joined together at the heads," he said. "We feel an operation can be done."

The doctor declined to give additional details. Merlo is 5 miles west of Buenos Aires.

Engagement

Emig-Baker

The engagement of Miss Dorothy Diana Baker to Harold Lamar Emig, son of Mr. and Mrs. Robert Emig, Abbottstown, has been announced by her parents, Walter E. Baker Sr., Abbottstown, and Mrs. Martha Evelyn Baker, Camden, N.J. Miss Baker is a senior at New Oxford High School. Her fiancé attended Spring Grove High School and is employed by Harold's Esso, Abbottstown.

Investiture services for Brownie Troop 756, Fairfield, and adult members were held at the home of their leader, Mrs. Glenn Shriner, on Wednesday afternoon.

The meeting was opened with a flag ceremony with Jayne McAndrews as color sergeant; flag bearer for the American flag, Kay Alexander; flag bearer for the troop flag, Susan Rosenwald; guards, Jane Newman and Kathy Jean McClear.

The adult members invested were Mrs. Glenn Kepner, assistant leader; Mrs. Bill Gilbert, committee chairman; Mrs. Robert McClear and Mrs. Richard Hardman, committee members, who received Girl Scout pins from Mrs. Charles S. HOME EXPECTS TO WIN SEAT OVER 6 RIVALS

CRIEFF, Scotland (AP) — Cold and rainy weather today marked two special parliamentary elections of great importance to Britain's new prime minister, Sir Alec Douglas Home.

In each district, the voting started sluggishly.

In Kinross and West Perthshire, the voters were deciding whether to give Douglas-Home the House of Commons seat he needs to continue as head of the government and the Conservative party. He expected to defeat six rivals by a comfortable margin of 5,000 to 6,000 votes.

Conservative prospects did not appear as rosy in Luton, an automobile manufacturing center 40 miles north of London. The English district went Conservative in 1959 by 5,000 votes, but it was doubtful the government party could hold the seat.

RESULTS TONIGHT

The result in Luton will be announced late tonight. The outcome in Kinross-West Perthshire won't be known until Friday because many ballot boxes are in isolated glens.

The 60-year-old prime minister had three serious opponents for the Scottish seat: Liberal Alastair Duncan Miller, Laborite Andrew Forrester and Scottish Nationalist Arthur Donaldson.

There also were three independents in the field, including a television performer whose specialty was impersonating former Prime Minister Harold Macmillan.

Leading candidates in Luton were Sir John Fletcher-Cooke, the Conservative, and Laborite Will Howie.

Mrs. Ludwig Keller Dies On Wednesday

Mrs. Emma L. Keller, 81, widow of Ludwig Keller, died Wednesday afternoon at 1:15 o'clock at her home, Gettysburg R. 4, Straban Twp.

A native of Morefield, W. Va., she was a daughter of the late Matthew and Elizabeth (Woerner) Gapp and was a member of St. Francis Xavier Catholic Church here and of its Rosary Society. Her husband died seven years ago.

Surviving are 97 descendants, including six children, Mrs. Arthur B. Martin, Gettysburg R. 4; Loring Keller, Gettysburg R. 3; Charles Keller, Gettysburg R. 3; Frank Keller, Gettysburg R. 6; Clarence Keller, Gettysburg R. 4, and Mrs. Patrick Irvin, Orrtanna R. 1; 52 grandchildren and 39 great-grandchildren.

Funeral services Saturday morning with meeting at the Bender Funeral Home, Carlisle St., at 9:15 o'clock to go to St. Francis Xavier Catholic Church for the Requiem Mass at 10 o'clock. Interment in the church cemetery. Friends may call Friday evening from 7 to 9 o'clock at the funeral home with the Rosary to be recited there at 8 o'clock that evening.

Straban Re-elects Wilson And Sibert

Emory E. Sibert, the Democratic candidate and incumbent, was elected supervisor in Straban Twp. during Tuesday's voting. Sibert received 457 votes to 348 for Francis Sterner.

Oren H. Wilson and William B. Hall received 533 and 499 votes respectively in being elected school director. They were the only candidates. There were three write-ins for the office with one vote each: John A. Hull, Republican, only candidate for auditor, received 568 votes. Wilson is currently president of the Gettysburg Joint School Board. Hall is a new member.

Joel Musselman, Republican, was re-elected constable by a vote of 467 to 347 over his Democratic opponent, Horace Criswell. Frank W. Murray was elected justice of the peace receiving 771 of the 829 votes cast in the election. There were two write-ins of justice of the peace, each receiving one vote.

MONOXIDE GAS KILLS TWINS

POTTSVILLE, Pa. (AP) — Carbon monoxide gas killed twin brothers in an abandoned mine on Sharp Mountain, about 10 miles from this Schuylkill County Community.

The bodies of Ralph Studlack, of Millersville, Dauphin County, were found this morning. They were 28.

The brothers were trying to pump out the abandoned mine before attempting to dig out coal. Gordon Smith, deputy secretary of mines, said they were using a gasoline motor that created gas fumes in the pumping operation.

The father of the men, George Studlack, notified the department of mines when his sons did not return home Wednesday night.

Authorities said George was in the Army stationed at Olmsted Air Force base near Harrisburg and he would return home when off duty to help his brother clear the water out of the mine. Ralph was said to recently have lost his job and planned to return to coal mining.

GOV. SCRANTON WISHES ROCKY WELL IN RACE

HARRISBURG (AP) — Gov. William W. Scranton of Pennsylvania, considered by some as a darkhorse candidate for the Republican presidential nomination, wished New York Gov. Nelson Rockefeller well today in his bid for the GOP presidential nomination.

"I'm glad we have a candidate and I assume we will have others," said Scranton in commenting on Rockefeller's formal announcement. "The Republicans have a number of good men."

"I wish the governor well in his desire to be the nominee. I hope he will conduct a vigorous campaign. We will welcome him in Pennsylvania, as we do all other candidates and potential candidates."

Scranton has said he will not seek the nomination. At the same time, Scranton said Republican Sen. Barry Goldwater of Arizona, considered the front runner for the nomination, will speak in Pittsburgh Nov. 15 to a group of representatives of the Harvard Business School.

Goldwater addressed a Republican fund-raising dinner Oct. 10 at Hershey, Pa.

In Gettysburg, Gen. Robert Schulz, an aide to former President Dwight D. Eisenhower, said Eisenhower would have no immediate comment on Rockefeller's announcement.

DEATHS

Robert E. Josephson

Robert E. Josephson, 61, died Tuesday morning at the home of a nephew and niece, Mr. and Mrs. Gilbert F. Swanson, East Berlin R. 1, with whom he resided the past 11 years.

Queen and Jackson Sts., York, Friday at 10 a.m. Officiating will be her pastor, Rev. G. Howard Koons. Interment will be in Mt. Olivet Cemetery, Hanover.

STOCKS RECOVER

NEW YORK (AP) — Selected industrials and rails paced a moderate stock market recovery early this afternoon. Trading was fairly active.

The rebound followed two straight sessions of sharp decline and news that credit had been stiffened for stock buying.

Big Three motors and some of the rails moved upward strongly. Some of the aerospace issues, chemicals, electronics, tobaccos, office equipments and airlines also did well.

The rebound, brokers said, was partially accounted for by "bargain hunters" who were picking up stock at prices considerably lower than a week ago.

FRANKLIN TWP. BUYS FENCE TO CONTROL SNOW

Franklin Twp. school directors Monday evening met with all bus drivers and substitutes in the district to discuss bus procedures, routes and student responsibilities. The board authorized the purchase of snow fences to be erected at various places on school property and sewerage treatment plant to prevent drifting of snow.

President Thomas O. Oyer was in charge of the meeting, which was attended by all members except Harry Hall, who is ill.

Oyer appointed Ross White and Clarence Ketterman to head the nominating committee for school board officers.

Wedding

Baker-Rosensteel

Miss Gertrude L. Rosensteel, daughter of Mrs. Laura G. Fritz, 263 DePaul St., Emmitsburg, and the late Allen Rosensteel, became the bride of Ronald E. Baker, son of Mr. and Mrs. Wilmer Baker, Emmitsburg, at a double-ring ceremony in St. Joseph's Catholic Church, Emmitsburg, Saturday afternoon at 3 o'clock. The Rev. Francis Stable, assistant pastor, performed the ceremony.

The organist, Mrs. Louis Rosensteel, played the traditional wedding marches and accompanied the soloist, Eugene R. Rosensteel, who sang hymns. Given in marriage by her brother-in-law, Donald Miller, the bride was attired in a white ankle-length gown of Chantilly lace and tulle over bridal satin. The fitted bodice was fashioned with a scalloped neckline and long fitted sleeves ending in points over the wrists. The very full bouffant skirt was of lace-trimmed tulle worn over a hoop. She wore an elbow-length veil falling from a crown of pearls and carried a white prayer book covered with an orchid and pompons.

The matron of honor, Mrs. Mary Theresa Miller, sister of the bride, wore an emerald green floor length gown of embroidered taffeta with a bell shaped skirt, with fitted bodice accented with a bow and three-quarter-length sleeves. She carried a bouquet of yellow and bronze carnations mixed with pompons.

100 ATTEND RECEPTION

Richard Baker, Emmitsburg, brother of the groom, served as best man and the ushers were Charles Rosensteel, Gettysburg, brother of the bride, and Larry Baker, Emmitsburg, brother of the groom.

The bride's mother wore a rose pink dress with black accessories and a corsage of white carnations and pompons. The groom's mother was attired in a cranberry dress with brown accessories and a corsage of white carnations and pompons.

A reception was held in the VFW Annex, Emmitsburg, immediately following the ceremony, with approximately 100 guests attending, after which the couple left on a wedding trip to an undisclosed destination. For traveling the bride wore a willow green suit with tan accessories and a white orchid corsage. Upon their return they will reside in an apartment on George St., Taneytown.

The bride is a 1962 graduate of St. Joseph's High School, Emmitsburg and will graduate next year from the Ken Delle School of Beauty Culture, Harrisburg. She is employed at Gerald Hairdressers, Westminster, Md. The bridegroom attended Emmitsburg High School and is employed at Taney Supply and Lumber Company, Taneytown.

Out-of-town guests were from Baltimore, Taneytown, Westminster, Littlestown, Thurmont, Gettysburg, York, Hanover, McSherrystown and Waynesboro.

and physical condition. The oldest miner, Fritz Baer, 53, was the second to be brought up in the rescue capsule.

ONE NOT MINER

One of the 11 is not a miner. Adolf Herbst, the only bachelor, is an electrician who was installing equipment in the mine when it was flooded.

When the last man was up, a siren blew, signal the end of the operation.

The breakthrough to the 11 occurred a few minutes after 6 a.m. (midnight EST).

There were 129 men working in the mine last month when a reservoir dam broke and flooded the works.

86 OTHERS SAFE

In the first 24 hours, 86 men managed to save themselves or were rescued. A week later three others were saved by drilling a shaft to an air pocket where they had crawled to escape the flood water.

Today's rescue brings the total saved to 100. The remaining 29 are given up as dead.

The operations here were similar to the rescue of miners Henry Throne and David Fellin, who were trapped for 14 days in a coal mine near Hazleton, Pa., after a cave-in last August.

GUESTS OF FRATS

At noon the delegates were guests of the 13 fraternities for lunch, sponsored by the Interfraternity Council.

At the afternoon session Lowell Munson, SCA president, and the Rev. John Vannorsdall, chaplain, spoke on "Expressions of Religious Concern for Gettysburg College." The Schmucker Memorial Library was closed to the students from 3 to 4 p.m. when the assembly met there, "Getting to Know the Library" was presented by Mrs. Kenneth L. Smoke and the library staff, followed by tea in the faculty lounge.

Mrs. J. Leon Haines, president of the Baltimore subleague, will be the toastmaster at the convention banquet to be held in the dining hall at 7:15 p.m. this evening when Dr. Carl A. Hanson, president of the college, will welcome the women. At the close of the session the group will attend the presentation of "The Diary of Anne Frank" in the Student Union building.

RECEIVE SCHOLARSHIPS

Four Adams County girls are attending Shippensburg State College with the aid of SICO Foundation scholarships. The foundation has announced that it will double the number of scholarships in 1964. The local students are the Misses Linda Bosserman, Arendtsville; Martha J. Hikes and Susan K. Bricker, York Springs R. 2, and Faith E. Hess, Gettysburg.

Out Of The Past

From the Files of the

The Gettysburg Times

TWENTY YEARS AGO
Find "Short Snorter" Bill: Short snorter bills are reputed world travelers but one of them, lost by an army officer in Gettysburg in July has finally turned up again — still in Gettysburg.

Last summer Lt. William P. Halvorsen, stationed at Orlando, Florida, was visiting here when he lost his pocketbook in a restaurant. Included among the papers and money in the wallet was a short snorter bill with signatures of pilots and army men gathered from Ireland to Trinidad. Friends here loaned the officer money to return to his camp but could not replace the missing papers or the bill.

On Monday Mrs. Gladys Kelley received some money for deposit at the Gettysburg National Bank. Noticing a bill that seemed to be mutilated she placed it aside for further scrutiny later. Late Monday she found time to look at the bill and thought it was the lost snorter bill about which she had read earlier in the summer in The Gettysburg Times. Other bank employees confirmed it and the local friends of Lieut. Halvorsen were notified.

The bill is now on its way back to the flying lieutenant. Nothing has as yet been seen of the wallet and other papers and money contained in it.

Gettysburgian in India: Another Adams county soldier is serving his country in far-off India and judging from the photograph he sent his parents it seems like a "League of States" of America's finest.

Russell Harness, son of Mr. and Mrs. Hunter Harness, Steinwehr avenue, is the county's newest arrival in India. His brother, James, in service since February 1942, is in Africa and another brother, William, in service since February of this year, is at Camp Butler, N. C., with a Military Police Escort Guard Company. William has made two trips to Africa since he entered service. Russell has been in service since November, 1942.

Lieut. Robert Scott Arrives In England: First Lieutenant Robert L. Scott, son of Mr. and Mrs. William Scott, Gettysburg R. 2, has arrived safely in England according to a cablegram received from the officer Tuesday. Lieutenant Scott will complete three years' service next February. He entered service with the local motor repair unit of the Pennsylvania National Guard. He received his commission about a year ago in Wyoming.

Sgt. McClellan is Awarded Silver Star In Sicily: Sergeant Glenn W. McClellan, 27-year-old son of Mr. and Mrs. Clain C. McClellan, Virginia Mills, and a veteran of the Tunisian campaign, has been awarded the Silver Star for gallantry in action during fighting in Sicily.

The official citation given Sgt. McClellan was received this week by his parents and discloses that the medal was awarded for their son's part in the fighting in the vicinity of Troina, Sicily, August 5. He was fighting with the Seventh Army under General George S. Patton Jr.

The citation sets forth that: "When a vicious counterattack endangered his company's position, Sgt. McClellan remained in a forward area despite heavy mortar and machine gun fire and, by expertly firing his rifle, destroyed an enemy squad flanking the company."

Today's Talk

PREPARATORY SCHOOL
"I never went to college," a friend of mine remarked to me at once.

"I only went to preparatory school." My reply was that I was still there. That's where we all are — in preparatory school — always preparing for something higher in achievement. Nothing is really ever completed. Improvement is always "just around the corner." We no sooner get what we want than we want it better. Then we want something different!

A humorous writer friend of mine once wrote a story in which he spoke of the early morning birds practicing for the "concert that never came off." Rather he might have said that this preparatory singing embodies a never-ending concert.

The writer, working long and feverishly on his book, keeps thinking of making it a better one than the one before. On completion, however, he thinks of it only as a preparation for a better one.

People speak of "finishing school." No one ever finishes! All education is preparatory. The very meaning of the word education is to lead out and — on. I am inspired every time I think of the English historian — John Richard Green — who had engraved on his tombstone the words: "He died learning."

One of the best editions of Marcus Aurelius was translated by a man, late in life, which he explained as his "best preparation for death."

Every worthy task should be performed with the idea in mind that it is only preparatory for something better — something more important, and more inspiring. Tasks done in this spirit, in themselves inspire!

It is a happy thought for one to educate himself — gracefully, like enjoying every moment of one's journey, whether long or short.

Although I may think that such things shouldn't be, I have to like skirts that are cut to the knee.

It's not mine to say what a woman should wear, I have to like girls who have barbered their hair.

It may be all wrong that they powder and paint, but my women refuse to be frumpy and quaint.

When it comes to controlling the fads as they are I long ago learned I don't get very far.

I might preach against fashion the rest of my life, but I'd never change either my daughter or wife.

So whatever they wear, to submit is my lot, for they'll follow the style, let me like it or not.

Watchman Charged In City Hall Theft

PHILADELPHIA (AP) — A night watchman and an elevator operator were arrested Wednesday night and charged with last week's safe burglary at City Hall.

James Hurst, 21, the watchman, and Henry Lucas, 39, the elevator operator, denied the charges.

Capt. James Curran said the men were on duty the night of the burglary. About \$25,000 in cash and some jewelry were taken from the seven-foot safe on the seventh floor of City Hall.

Constitutional Convention Plan Lost By 40,000 Votes

By STAN BENJAMIN
Associated Press Staff Writer
PHILADELPHIA (AP) — Politicians and observers searched today for the causes that killed the push to rewrite Pennsylvania's 89-year-old Constitution. The proposal failed by less than 40,000 votes in Tuesday's voting.

Voter apathy, fear of a graduated income tax and a possible protest vote against Gov. William W. Scranton were among the theories advanced.

Some 1,106,041 persons voted against the proposal while 1,066,770 voted for it in unofficial returns in all but a few scattered precincts. The margin was the closest the proposal has come to passing in six attempts.

13 COUNTIES SAY YES

Proponents of a convention say the Constitution is antiquated and needs complete revision. Fears that revision might open the door to a state graduated income tax, however, have been a powerful argument against it.

Only 13 of the state's 67 counties returned margins favoring the revision proposal. Philadelphia alone gave the measure a majority of 67,401 votes. It took the combined negative votes of at least eight counties to offset Philadelphia's big total—for example the anti-majorities of Luzerne County (22,633), Berks (9,253), Columbia (7,583), Erie (6,553), Schuylkill (6,812), Somerset (6,848), Lehigh (7,660), and Franklin (2,035).

APATHY CONTRIBUTED

Even with strong "yes" votes of Bucks (12,140 majority) and Delaware (10,186) counties the areas favoring the convention were unable to match the combined weight of the other counties.

Other counties that recorded affirmative votes were Beaver, Butler, Centre, Chester, Clinton, Huntingdon, Lackawanna, Lancaster, Lebanon and Montgomery.

Voter apathy may have been a major factor in the defeat; fewer than one third of those who cast ballots bothered to vote on the convention issue.

While 724,542 persons voted in Philadelphia's mayoral election, only 271,543 of them voted on the convention question.

In Allegheny County, another urban area, the total vote on the convention issue was even larger—342,198—but it broke down into a finely balanced division of 170,997 in favor, 171,291 against.

While the measure drew strong opposition from rural areas, the vote in Allegheny County, and the even more negative vote in Erie County, site of the state's third largest city, seemed to indicate this was not really an urban-versus-rural issue.

Philadelphia and the four surrounding counties—Bucks, Chester, Delaware and Montgomery—voted for the measure.

Centre, Clinton and Huntingdon counties are contiguous, as are Lancaster and Lebanon and Butler and Beaver.

NOT PARTISAN ISSUE

It was not a partisan issue, it

had the backing of both parties and their leaders, including Republican Gov. Scranton and former Gov. David L. Lawrence, a Democrat.

Gov. Scranton campaigned so strongly for the measure that many observers believe its defeat may be something of a political setback for him.

During the campaign he repeatedly said a vote for or against the proposal should not be regarded as a vote for or against his administration. Yet many said his name was linked firmly with the proposal whether he wanted it or not.

MORSE GIVES VIEWS

Lt. Gov. Raymond P. Shafer, Republican, and Internal Affairs Secretary Genevieve Blatt, Democrat — co-chairmen of the governor's committee for a constitutional convention — said after the referendum: "There is no serious disagreement of this goal, as we all recognize that this must be done if Pennsylvania is to have stronger local and state government."

State Democratic Chairman Otis B. Morse blamed the defeat on Gov. Scranton for "injecting his political personality into the issue." But Morse added, "The Democratic party cannot be happy over the defeat of the constitutional convention, despite Gov. Scranton's loss of prestige."

Scranton declined to comment until his news conference today.

CHASE MAY ENTER PRIMARY FOR PRESIDENT

WASHINGTON (AP) — Sen. Margaret Chase Smith is seriously considering entering some presidential primaries to offer Republicans a "third choice" in the selection of their 1964 nominee.

The white-haired Maine Republican, who has served in the Senate since 1959 after nine years in the House, is expected to announce in a speech before the Women's National Press Club here Dec. 5 whether she will become an active candidate.

Although politicians generally doubt that the electorate yet is conditioned to the idea of a woman as president, Mrs. Smith's friends think that if she made a good showing in some of the primaries she would be in a strong position as a potential vice presidential nominee.

97 SCRAMBLE TO SAFETY AS JET CRASHES

LONDON (AP) — All 97 persons left a Montreal-bound jetliner through emergency exits and stumbled into a muddy cabbage patch Wednesday night after the plane crashed during its takeoff run at London Airport.

Four persons were hospitalized, and several others were treated for shock and bruises.

The 90 passengers and 7 crew members scrambled out of the craft in 90 seconds. But they had to wait for an hour while rescuers groped through fog to reach them.

One engine was torn off in the 700-yard skid off the main runway and caught fire. The plane itself did not burn.

The plane, a Trans-Canada airliner, carried three containers of radioactive materials. Airline officials refused to say what they were but one official insisted they could not have affected the instruments.

At least one American was aboard the plane. He was Dave Cozad, 36, a petroleum engineer from Corpus Christi, Tex.

The airline said it did not know why the plane didn't take off.

Pilot Mickey Found, 45, a veteran of the transatlantic run, abandoned the takeoff attempt a short distance from the end of the runway, applied his brakes and reversed the engines.

Horse Sales Top \$3,851 Average

HARRISBURG (AP) — The 1963 Standardbred Horse Show moved into its fourth and final day today with average sales more than \$100 ahead of the record high of \$3,851.

A total of 217 horses were sold for \$1,016,800 Wednesday bringing the three-day average for this year's show to \$3,935 per animal.

It marked the third straight day sales reached a new high. Twenty-seven horses sold for \$10,000 or over, putting the average for the day close to \$4,636. The previous high for the third day was in 1959 when 236 horses drew an average of \$4,589.

Total sales for the first three days amounted to \$2,117,600. Five of 26 yearlings put on the auction block by Del Miller of Washington, Pa., drew over \$10,000. Hempt Farms of Mechanicsburg also had a successful consignment, selling eight yearlings over the \$10,000 mark.

Saylor Opposes Pay Increases

WASHINGTON (AP) — A Republican Pennsylvania congressman is opposing what he calls massive pay raises for congressmen.

Rep. John P. Saylor, R-Pa., expressed opposition Wednesday to a bill to raise the salaries of members of Congress, cabinet members, judges, government officials, bureaucrats and other federal employees by a total of \$600 million a year.

"The federal budget cannot afford this outlay regardless of the need for, or the desirability of, the increase," Saylor said.

Such a bill is especially revolting, he said, now when the national debt is rising and tax-cut legislation is awaiting Senate action.

MURDER TRIAL TAKEN BEFORE HIGHEST COURT

MINNEAPOLIS (AP) — The trial of T. Eugene Thompson, accused of arranging the murder of his wife went before the Minnesota Supreme Court Wednesday in an unprecedented move.

Attorneys were closeted with five Supreme Court justices for an hour and a half while the trial was recessed.

Judges and attorneys wouldn't discuss the conference, but it was learned the meeting concerned a ruling by Judge Rolf Fosseen in Hennepin County Court, where testimony began Monday.

ASK STATEMENT
Fosseen had ordered Prosecutor William B. Randall to deliver to defense counsel a statement given to police by a state witness who had sold \$250,000 accident and travel insurance on the life of Thompson's wife, Carol.

Randall told the court he was "very, very sorry but I am unable to comply."

Attorneys were summoned to the judge's chambers Fosseen returned to the bench soon and announced court recessed. The Supreme Court was the next move.

Mrs. Thompson mother of four, was ludegued and stabbed in her home March 6. The state claims the crime was engineered by Thompson, 35, so he could collect more than \$1 million in life insurance and marry another woman. The woman hasn't been identified.

Warrior-Canner Clash At Biglerville Friday Will Draw Big Crowd; Delone, Bermudian In Away Tilts

Another scholastic football season will come to an end this weekend when four of Adams County's schools wrap up their campaigns.

Eclipsing the games will be the annual Gettysburg-Biglerville clash at Biglerville Friday evening at 8 o'clock which promises to draw a record crowd.

The other two games will be played Saturday, Bermudian Springs meeting Kennard-Dale at Fawn Grove at 2 p.m. and Delone opposing South Western on the latter's gridiron at 8 o'clock.

GETTYSBURG AT BIGLERVILLE

A victory in this game would mean much to the winner in establishing the 1963 campaign as successful.

Don Young's Warriors enter the game with a 4-3 record while Jack Emanuel's Cannons sport a 5-2-1 mark. Gettysburg is 4-4 in the Blue Mountain League while Biglerville's record is also for the BML.

This will mark the fourth game in the series between the schools which started in 1950 when Biglerville won 33-6. The Cannons also triumphed 12-0 in 1961 while the Warriors notched their first decision last year 19-0.

Season's scores for the teams follow:

Biglerville — Big Springs 13-13; Camp Hill 6-14; Boiling Springs 19-0; Shippensburg 18-6; East Pennsboro 6-48; Newport 32-0; Susquehanna 23-6; Northern 45-0. Gettysburg — Westminster 6-26; Boiling Springs 29-0; Shippensburg 7-18; Camp Hill 0-14; Susquehanna 7-0; Northern 25-6; East Pennsboro 6-34; Big Spring 6-28; Newport 51-0.

Coach Young makes no secret of the fact that his squad has been pointing to this game all year and believes the decision will go to the team making and taking advantage of the breaks. He anticipates a good, hard-hitting game on the part of both teams.

With the exception of two backs, Rick Jones and Jim Newman, the Warriors are reported in good condition. Jones will miss the game due to an infection while Newman is still bothered by a leg injury.

Winding up their careers for Gettysburg will be the following seniors: Larry Johnson, Richard Jones, Ronald Miller, Ronald Young, Newman, Joe Riley, Dave Schwenk, Walton Jones, Ken Kime, Dan Heagerty, Paul Kump, Gary Guise, Charles Cartzenfeller, Richard Sietz, Nelson Wansel, Bob Selby.

Biglerville has a three-game victory string going and in Jeff Horick has the second high scorer in the Blue Mountain circuit. Coach Emanuel reports his entire squad in good shape and, like Young, is anticipating a keenly fought battle.

There will be no lineup changes for the Cannons who have been particularly impressive in their last three outings.

Thirteen members of the Cannons squad will be in uniform for the last time. They are Mike Kane, Robert Bream, Horick, Tommy Thompson, Arthur Dykman, Jerry Ladd, Mike Thompson, Don Linard, Don Heckman, Bill Gardner, Bob Garretson, Rodney Guise and Fred Hartman.

DELONE AT SOUTH WESTERN

If Delone wins this Saturday night encounter it will claim the "Hanover area" championship," according to Coach Bucky Kempton.

The Squires opened their season with a 7-0 win over Hanover and a win over the Mustangs would certainly solidify the "title" claim in the three-school neighborhood rivalry.

After two very fine efforts despite one-touchdown losses to McDevitt and Westminster, the Squires are a much tougher outfit now, according to Kempton. All of the Squire players are ready for full time duty.

Delone takes a 3-6 record into the game while South Western is 4-5. They have not met a common opponent.

Only six Delone lads will be in action for the final time. Included are Larry Smith, end; Jerome Thomassy and Frank O'Brien, guards; Mike Reese, center, and Steve Little and Larry Riley, backs.

South Western's holdover players from last season include John Gobrecht and Bill Brown, backs; Don Laurence, Gary Davis, Craig Goodermuth, John Markle and Mike Wildasin, linemen.

BERMUDIAN AT KENNARD-DALE

This game brings together a pair of teams who have suffered through rough schedules and it is a safe premise both will go all out to salvage a part of the campaign with a victory in their final contest of the season.

Bermudian has won one of seven games while the Rams are winless in nine games, eight of which have been in the York

County League and the other to powerful Hanover.

Last Saturday Kennard-Dale showed vast improvement before bowing to York Suburban 25-20. Prior to that the Rams lost to Littlestown 19-6. They have eight lettersman from last season.

Bermudian Coach Tom Shreiner will be without the services of two squad members for the finale, Bill Hinkle, guard, suffered a broken leg in the South Huntingdon game while Joe Lemmon, tackle, sustained a knee injury.

Only five members of the Eagles' squad will be finishing their careers. The seniors are Jim Harbold, back, and Don Fair, guard, captains, and Larry Bobb, back; Bill Shook, back, and Wayne Wise, tackle.

Bermudian's starting lineup will include: Ends, Jay Smith and Bob Lancaster; tackles, Paul Mid-dour and Wise; guards, Fair and Tom Harbold; center, Al Hoke; backs, Todd Tanger, Tom Cashman, Jim Harbold and Reid McCauslin. Bobb will start with the defensive unit.

GRID SCORING RACE TIGHT ON PENNA. GRID

PHILADELPHIA (AP)—Two conversion points are all that separate the top two Pennsylvania college scorers this week with little Dave Wion of Allegheny College still hanging on to the lead.

Wion and the No. 2 scorer, Wayne Fullerton of Waynesburg each scored two touchdowns in leading their teams to victory last week.

Wion, who has played in five games, has scored 12 touchdowns and two conversion points for a total of 74 points. Fullerton has 12 touchdowns in seven games for 72 points.

LEADING PARK

Wion cracked over twice from the one last Saturday as Allegheny College defeated Bethany (W. Va.) College, 27-19. Fullerton scored on a 4-yard pass and a 2-yard run as Waynesburg defeated Muskingum.

Next Saturday Allegheny meets Findlay of Ohio and is heavily favored. Waynesburg, on the other hand, faces a tough W. & J. team.

Wion and Fullerton are 20 points in front of the pack in their duel for scoring honors. In the No. 3 spot is Frank Johnson of California with 52 while Don Green of Susquehanna is next with 51. Johnson scored all his points in his team's first two games but has been out of action since with an ankle injury.

OTHER LEADERS

Toby Barkman of East Stroudsburg, a familiar figure in Pennsylvania college scoring competition, had a slow start because of early-season injuries, but he is now in fifth place with 49 points.

Trailing the top five are Westminster's John Bailey, Temple's Joe Petro, East Stroudsburg's Jan Beliveau and Bucknell's Tom Mitchell, each with 42 points and Jim Ashton of Indiana, Harry Theofiles of Waynesburg and Joe Morelli of Temple each with 36.

DAVIES NAMED CHAPTER HEAD

Bobby Davies, Country Club Lane, one of college and pro basketball's all-time standouts, has been elected president of the central chapter of the Pennsylvania Sports Hall of Fame.

Davies, a star at Seton Hall and with the Rochester Royals and later coach at Gettysburg College, was named along with Lebanon newspaperman W. W. (Tiny) Parry, vice president, and John D. Hopper, secretary-treasurer. The newly established Hall of Fame will honor native Pennsylvanians or those who gained athletic fame while residing in the state.

Eight living sports immortals and two deceased will be inducted into the Hall of Fame at the organization's first annual dinner Sunday, December 8, at the Sheraton Hotel, Philadelphia. They are Chuck Bednarik, Barney Ewell, Glenn Killinger, John (Hans) Robert, Arnold Palmer, Stan Mus-

BOSTON WINS 7TH IN ROW

By THE ASSOCIATED PRESS

Make it seven in a row for Boston in the National Basketball Association in their usual manner, and make it six in a row for St. Louis in an unusual manner.

The Hawks did it with missed foul shots.

The Celtics remained unbeaten behind a brigade of double figure scorers, overwhelming Cincinnati's Royals 139-121 Wednesday night. The Hawks, however, needed every point they could get in a 112-110 victory over Baltimore.

They got them from the foul line, making 22 of 24. And the two that missed were tapped in by Zelmo Beaty for two-pointers. That little extra was the margin of victory.

In other games, the Los Angeles Lakers staved off a late New York rally and edged the Knicks 111-109, and Detroit ended a four-game losing streak by defeating Philadelphia 119-101.

SINATRA'S TOURNEY TO BEGIN TODAY

By CHARLES MAHER

Associated Press Sports Writer PALM SPRINGS, Calif. (AP) — Frank Sinatra's first golf tournament opened today on a course that has so many driving hazards it may be condemned by the National Safety Council.

On the average golf course, there may be out-of-bounds markers on four or five fairways. But at Canyon Country Club, scene of the \$50,000 Sinatra Open, there are markers on 17 of the 18. And the one that has no out-of-bounds has a lake on one side.

Unintimidated, 150 professionals set out today on the first round of the 72-hole event, the 42nd of 43 tournaments on the 1963 PGA tour.

ENORMOUS GREENS

Obviously, the course favors the man with a consistently straight drive. And among those in the field with this competence are Mason Rudolph, Al Geiberger, Jay Herbert, Tommy Bolt, Bill Casper Jr., Doug Sanders, Billy Maxwell, Dow Finsterwald and Gay Brewer.

But the four-day tournament will not be just a driving test. The greens at Canyon Country Club are enormous. One, No. 4, is 192 feet long — nearly two-thirds the length of a football field.

Sponsor Sinatra, who has been playing golf regularly for about 2½ years, figures it will take a 276 to win. Par is 71, and 276 would be eight under.

HARRIS RUN WIN SKIN TO 19 STRAIGHT

One of the longest winning streaks in the history of Gettysburg College was extended Wednesday afternoon when Coach Harold Glad's cross country team walloped Elizabethtown 15-49 on the country club course.

In winning their third shutout of the year, the Bullets have won 11 dual meets on the season and are undefeated in dual meet competition through the last 19 engagements.

Jim Lombardi captured his 10th first place of the year when he came home ahead of the pack in 21:33 minutes. Jerry Staub, Bob Linders and Ed Salmon finished within a second of each other behind Lombardi. Roger Malehorn took fifth and Bob Loomis came in sixth to make it a clean sweep.

Elizabethtown's top runner was Bill Reed who captured a seventh place in 23:21. Several of the runners turned in fine times despite the continuous drizzle and soft turf.

The Bullets will meet their biggest test of the year when they ring down the curtain on the regular season by tangling with Delaware Saturday afternoon on the home course.

The results: 1, Jim Lombardi, G., 21:33; 2, Jerry Staub and Bob Linders (tie), 22:48; 4, Ed Salmon, G., 22:49; 5, Roger Malehorn, G., 23:03; 7, Bill Reed, E., 23:21; 9, Al Owens, E., 23:23; 10, Bill Drea, E., 24:12; 11, Mike Stamen, E., 25:34; 12, Bob Gilbert, E., 25:42.

PRINCETON LOOKING TO IVY CROWN

By HUGH FULLERTON JR.

PRINCETON, N.J. (AP) — Cosmo Iacavazzi finds advanced calculus a bit difficult at times. Aeronautical stability and control, fluid dynamics and particle dynamics aren't too bad. "I get by okay." He has a B-minus average.

Football? That's just doing what comes naturally. Hitting the line often is somewhat easier than hitting the books to the solid 5-foot-11, 195 pound lad from Scranton, Pa.

ENGINEERING STUDENT

Cosmo, 20, is a student of aeronautical engineering at Princeton University. He also plays fullback on Princeton's unbeaten football team.

As a fullback he's about the best in the East — and maybe a wider territory. He is the nation's leading scorer with 66 points. As a linebacker who seldom, if ever, lets a runner get past him, he is an important factor in the Princeton defense that has yielded only 33 points in six games.

Coach Dick Colman likes all that, but he's even more effusive about Cosmo's share in the leadership of the Tiger squad — factor Colman thinks is most important in Princeton's victory string. His Tigers haven't had a let-down all season.

"What a kid!" exclaimed Colman. "If he got hurt and just sat on the bench he'd be invaluable to us. Whatever he does, he does to his absolute limit and that attitude rubs off on the entire squad."

Cosmo is one of five children of a Scranton hauling contractor. After a notable high school football career, some 50 colleges showed interest in Cosmo.

Princeton's Tigers play Harvard, Yale and Dartmouth, their most important Ivy League rivals, on the next three Saturdays. If they win the Harvard game and one other, they can take their first Ivy title since 1957. They'd like to win them all.

DELAWARE MOVES UP IN RATINGS

By THE ASSOCIATED PRESS

Northern Illinois still is the nation's No. 1 small college football team in the latest Associated Press poll, but Delaware's Blue Hens have moved up to challenge the Huskies in the point-gathering struggle.

Led by record-breaking passer George Bork, Northern Illinois remained unbeaten and untied last Saturday but encountered stiff opposition before defeating Western Illinois 29-22.

Delaware's all-conquering team, meanwhile, rolled over Buffalo 34-6. It was reflected in the balloting Wednesday.

The Huskies maintained first place with 74 points but Delaware closed the gap with 64 points and received more first place votes, with four to three for Northern Illinois. Last week, the difference between the two teams was 30 points.

MAINTAIN POSITIONS

Voting in the poll is by a special national panel of eight selectors. Points are counted on a basis of 10 for a first-place vote, nine for second, etc.

The Nos. 3-6 teams also maintained their positions with Florida A&M right behind the leaders, followed by Wittenberg, South Dakota State and St. John's of Minnesota.

The biggest jumps were made by San Diego State, which climbed from 10th to eighth, and McNeese State, which was not ranked a week ago, and now holds the No. 9 spot after a 40-0 walloping of Louisiana College.

Massachusetts moved from eighth to seventh, taking over the position vacated by Texas A&I, which fell from favor following a 16-6 loss to Stephen F. Austin, Kearney, Neb., dropped one notch to 10th, and is tied with Slippery Rock, Pa., unranked a week ago.

THIS WEEK'S SPORTS

Today Elizabethtown at Gettysburg College, cross-country. Littlestown Seventh and Eighth Grade at Biglerville.

BISONS BLANK AMERKS 5-0

By THE ASSOCIATED PRESS

Two Buffalo Bison penalty killers murdered the Rochester Americans Wednesday night as Buffalo goalie Roy Edwards registered his second straight American Hockey League shut-out, 5-0.

Edwards' goaltending was airtight, but it was a pair of first period goals by penalty killers Billy Dea and Jerry Melnyk that broke the back of the Americans' attack.

Dea scored an unassisted goal and then set up Melnyk's tally as the Bisons short-circuited Rochester's power play.

The victory moved Buffalo out of the Western Division cellar and into third place, one point ahead of idle Cleveland.

Elsewhere in the AHL, the Hershey Bears protected a 1-0 lead for two periods before Pittsburgh's Floyd Smith scored a pair of third period goals to give the Hornets a 2-1 victory.

Art Statton, who was farmed to Pittsburgh along with Smith last week by the Detroit Red Wings, assisted on both goals as the Hornets extended their Western Division lead to four points over Rochester.

RICH DETROIT TOURNEY WILL LURE GOLFERS

By CHARLES C. CAIN

DETROIT (AP) — Golfers from 60 countries will shoot at a \$200,000 jackpot in the first Carling World Open Golf Championship at nearby Oakland Hills Country Club next August.

Details of the tournament, which has a \$35,000 first prize, were disclosed Wednesday night by Richard Taylor, Carling's tourney director. He said the first round will begin Aug. 27.

Taylor returned last week from a world tour during which he worked out details of nine sectional tournaments in which the world's top golfers, professional and amateur, will compete.

ONE RED NATION

Czechoslovakia is expected to be the only Communist country represented.

Taylor said Russia has no known good golfers and the same holds true of the other Iron Curtain countries.

The U.S. State Department gave tournament sponsors assurance that it would grant visas to any contestants, including Communists, except those from Communist China, North Korea and Albania, none of which is recognized by the U.S. government.

Each foreign player will have to qualify in his own country, Taylor said. For example, Gary Player, who has competed in many pro tournaments in the United States for the past few years, will have to qualify in his home country, South Africa.

105 FROM U.S.

The field will include 105 U.S. golfers. About 50 to 55 of them, including the top pros of the nation, will be picked by next July based on their showing in PGA tournaments.

In order to permit some of the lesser known local and regional U.S. pros to have a chance to qualify for the Carling Tournament, Carling will pick approximately 45 others based on their showing in some of next year's PGA events, winding up with the Hartford, Conn., Open July 26.

There will be 35 foreign entries, plus 10 other winners of certain golf tournaments designated by Carling to bring the field to about 145.

Tournament sponsors said it will be televised nationally in the United States and may be shown in Europe via Telstar if technical arrangements can be made.

SLIPPERY ROCK NEEDS VICTORY

JOHNSTOWN, Pa. (AP)—Defending champion Slippery Rock needs a victory over Clarion on Saturday to clinch the western section title of the Pennsylvania State Colleges Football Conference.

However, if Clarion wins and Indiana beats Lock Haven, a tie will develop between Indiana and Slippery Rock.

In the eastern section, West Chester can grab the crown with a victory over Cheyney. The championship game is scheduled for Nov. 6.

The standings:

Eastern Section

WAKE FOREST FACING DUKE; HOPE NOT HIGH

By MIKE RATHET

Associated Press Sports Writer There's the distinct possibility that Brian Piccolo may become a legend on the Wake Forest campus.

Even he would have to admit he's doing it the hard way.

Despite the fact his name gives every indication he's a member of the band, Piccolo is a member of the football team. There are those in Atlantic Coast Conference circles who will tell you there's not much difference. But that's not true.

HAD 6 SHUTOUTS

The band has better timing. Piccolo is the only Wake Forest player to score this season. He kicked a 32-yard field goal, ran four yards for a touchdown and added the extra point in the first half of Wake Forest's opener against East Carolina. That's the last time the Deacons scored.

They've been shut out in six consecutive games, have had 218 points rolled up by their opponents and extended the nation's longest current losing streak to 17 games. And things are bound to get worse before they get better.

MEDICAL BULLETIN

Duke knows it. The Blue Devils are next on the Wake Forest schedule. While the Deacons worked out Wednesday, Duke prepared for the game by working on scoring from close in and drilling on punt returns.

That's about all they figure to do Saturday. Last year, Duke won 50-0. Wake Forest hasn't improved. Duke has.

Elsewhere, the main focus was on the latest medical bulletins, with Syracuse and Southern California getting the worst news. The Orange has lost tackle Henry Huettner with a broken hand. Trojan center Larry Sagoupe will have to undergo surgery for a bad knee.

OTHERS ON LIST

Tom Myers, Northwestern quarterback, still is hospitalized with influenza and halfback Dick McCauley is unable to put any pressure on his twisted knee. Nebraska quarterback Dennis Clardige remains hospitalized with a twisted knee and West Virginia fullback Ron Colaw is out with a sprained ankle.

Ohio State halfback Paul Warfield tested his leg injury in a workout, Minnesota guard Bill Dallman practiced with the team after recovering from a concussion and Texas fullback Harold Philipp indicated his pulled leg muscle was no handicap.

TOBIN ROTE SHOWS KIDS HOW IT'S DONE

By JACK HAND

NEW YORK (AP) — Tobin Rote showed the kids how the game is played Saturday when he passed for 369 yards and three touchdowns and scored once in San Diego's 53-7 rout of the New York Jets. If that doesn't make a man Player of the Week in the American Football League, what does?

Rote's bailout man, John Hadl, was the first AFL star a few weeks back but there was no need of any help against the Jets. The 35-year-old quarterback, a pro since 1950 at Green Bay, Detroit and Toronto, completed 21 of 29 passes.

ANOTHER TITLE GAME

Detroit fans never will forget how Rote stepped into the quarterback job in 1957 after Bobby Layne was forced out with a broken leg. Tobin led the Lions to a 59-14 ramble over Cleveland in the NFL championship game.

Rote probably will be in another title game Dec. 22 because his San Diego team leads the Western Division of the AFL by 1½ games with a 6-2 record and six to go.

Bob Suci, Boston defensive back, should get an award for the most satisfying moment of the week. Released by the Houston Oilers in the final cut, the second-year pro from Michigan State, made an interception and ran 98 yards for Boston's fourth touchdown Friday night in a 45-3 shocker over Houston.

TARHEELS' DEFENSE BEST

NEW YORK (AP) — North Carolina's Tar Heels, who have allowed only one touchdown pass in seven games, are throwing up the best pass defense in college football in 24 years.

Although Ohio University is the nominal leader in pass defense, according to NCAA Service Bureau statistics today, North Carolina has compiled the most amazing record.

The Tar Heel secondary has been tested 130 times—almost twice as much as Ohio — and has allowed only 2.53 yards per attempt. The 1939 Texas A&M team was the last major college club to hold the opposition to less than three yards an attempt for a minimum of 100 passes.

Game Commission Will Decide Friday On Dates

HARRISBURG (AP) — The Pennsylvania Game Commission will meet Friday to consider the possibility of extending all hunting seasons interrupted by the drought.

The duck and geese seasons were extended Wednesday night, but the chief concern now seems to focus on the archery season which ended 18 days early because of a statewide ban on hunting.

The ban was in force from Oct. 8 to Nov. 5 as an emergency action against the threat of forest fires. Even the popular small game season was delayed three days because of the ban.

RELIEF FROM RAIN

But drenching rains have brought the relief to the state's forests and woodlands, allowing hunters once again to return to their pastime.

The precipitation reached well over an inch Wednesday night in many areas.

"This is what we've been looking for a long time," said Samuel S. Cobb, chief of forest protection. "It is going to give us a rest, and unless, we have a recurrence of warm weather and high winds, it should alleviate the danger until the weekend when more hunters will be out."

SEASONS EXTENDED

M. J. Golden, executive director of the Game Commission, said approval for extensions of the duck and geese seasons was received from the U.S. Fish and Wildlife Service through Secretary of the Interior Stewart L. Udall.

The duck and coot season, scheduled to run from Oct. 2 to Nov. 30, has been moved back to Dec. 6. The geese and brant season will close Jan. 4 instead of Dec. 20.

Other extensions are Nov. 26 for rails and gallinules, Dec. 17 for woodcock, Nov. 27 for mourning doves and Nov. 16 for Wilson's snipe.

ARCHERS ASK EXTENSION

H. L. Buchanan of Franklin, president of the Game Commission, called Friday's meeting. He promised to give special consideration to the archery season which was scheduled to end Oct. 31, but closed Oct. 18 instead, because of the ban.

Buchanan emphasized however that it would be difficult to grant any extension prior to mid-December because of the already-scheduled bear and regular deer seasons.

Any extensions would match the number of shooting days lost during the hunting ban.

Golden pointed out however that the same bag limits would be in effect as originally announced.

IN NICK OF TIME

The rain also provided new hope for the state's multi-million dollar Christmas tree industry.

Fred Strathmeyer, president of the Pennsylvania Christmas Tree Growers Association, said the showers could avert hundreds of thousands of dollars in losses and mean huge financial savings to householders.

"The rains came in the nick of time," he said, "with 50 per cent of the harvest hanging in the balance."

SOME DAMAGE

Still, he added, damage to the trees has been considerable.

"It is certain supplies of Pennsylvania cut Christmas trees will be 20 per cent under normal, because of the drought. But the supply probably would have been at least 40 per cent of normal if the rain hadn't come."

Approximately three million Christmas trees are harvested each year by Pennsylvania growers. Hundreds of thousands of these trees, mostly Scotch pine, already are lost because of premature shedding, Strathmeyer said.

As far as the possibility of a jump in prices for Christmas trees because of the situation, he said it is still too early to say.

BULLETS DRUB DICKINSON IN SOCCER GAME

A five-goal scoring exhibition by Junior Bill Schinnerer paced the Gettysburg College soccer team to a 10-1 romp over Dickinson Wednesday afternoon here on a rain soaked field.

Schinnerer rammed through four of his scores in the second period when the Bullets tallied seven times. His last shot came with 1:07 gone by in the third quarter. The five goals are among the most tallied by a Gettysburg player in the school's history.

John Colestock and Walker McClennen got things rolling in the first period as each collected a point. Dickinson's lone tally came at the 19:21 mark of the first period on a shot by Jay Arnoldess. Gettysburg is now 6-4-1 on the season and will travel to Philadelphia on Saturday to meet St. Joseph's.

CHAPLAIN TO SPEAK MONDAY FOR VETS' DAY

Chaplain Dennis C. Kinlaw, lieutenant commander in the U. S. Navy and a minister of the Methodist Church, will be the guest speaker at the annual community Veterans' Day service at 7:30 p.m. on Monday in Centenary Methodist Church. His sermon title will be "In Victory — Tears."

The service is being sponsored by the Littlestown Ministerium, and the host pastor, the Rev. William R. Jones, will preside. The public is invited to attend. Members of Mason and Dixon Memorial Post, Veterans of Foreign Wars, and Ocker-Snyder Post No. 321, American Legion, and their ladies' auxiliaries will attend in a body.

Chaplain Kinlaw is head of Naval Procurement, Personnel Branch, Chaplains' Division, BuPers, Washington, D.C. He served with the Navy in Rhode Island and Parris Island and was educated at Florida Southern College, where he received the Bachelor of Arts degree in 1951; Bachelor of Divinity degree from Garrett Seminary, Evanston, Ill., in 1954; University of Edinburgh and was ordained by Bishop Glenn R. Phillips in 1956. His civilian pastorates include Grace Methodist Church, Belleville, Wis.; Grace Methodist Church, Dillon, Mont.; Iona Parish Church, Iona, Scotland.

Chaplain Kinlaw and his wife, the former Beatrice Davidson, and their seven-year-old daughter reside on Belfast Lane, Springfield, Va.

GUEST SPEAKER

Anthony Orban, past president of the Catonsville Rotary Club, was the guest speaker at the weekly dinner meeting of the Littlestown Rotarians on Tuesday evening at Schottie's Hotel. He spoke on fellowship and attendance. Mr. Orban, was introduced to the club by Malcolm B. Tebb, of the fellowship and attendance committee in charge of the evening's program.

At talk in observance of Rotary Foundation Week will be given at the club meeting next Tuesday at 6:15 p.m. at Schottie's. The program will be arranged by the international service committee, composed of Charles E. Ritter, chairman, Lloyd E. Crouse, Stanley B. Stover, Dr. H. Orvin Strickler and John D. Thrush.

Ladies' night will be observed and the local ministers will be guests at the Rotary meeting on November 19. The chaplain committee, the Rev. William Hendricks, chairman, will be in charge.

People In The News

By THE ASSOCIATED PRESS
BEVERLY HILLS, Calif. (AP) — Sheikh Bader Mulla thinks Kuwait is great.

Lounging in his \$130-a-day bungalow at a Beverly Hills hotel, the sheik, 27, explained:

"The wealth is beyond imagination, beyond belief. A square foot of Kuwait costs as much as on your Manhattan."

Bader was secretary of state of the little oil-rich kingdom at the age of 18, but quit two years ago to handle his family's business affairs, including concessions for several big American firms.

He said he has six or eight cars, homes in Kuwait, Beirut and London, but only one wife. All this and no income tax. "I wouldn't exchange it for

any other place," said Bader.

ROME (AP)—Movie producer Otto Preminger, a Jew, has received the Grand Cross of Merit from the Knights of the Holy Sepulcher, a Roman Catholic order.

Preminger was cited at the ceremony in Rome for his picture "The Cardinal," reportedly based on the life of Francis Cardinal Spellman of New York.

PROVIDENCE, R.I. (AP) — There's "no room for frustrated middle-aged women who feel bored, restless and cheated with their lives," says Margaret Clapp, president of Wellesley College.

Miss Clapp said girls too often think their lives through only to the point when "they will live happily ever after." Thus, she said in a speech at Providence, R.I., they are not prepared to cope with the years which follow their period of motherhood.

Pitcher Tom Sturdivant had spring training with Pittsburgh, in late July.

GAME RAINED OUT

The Littlestown-Biglerville Seventh and Eighth Grade football game, scheduled for Biglerville Wednesday, was postponed due to rain. It was rescheduled for today.

was waived to Detroit in May and wound up with Kansas City in late July.

Today In Washington

By THE ASSOCIATED PRESS

WASHINGTON (AP) — In the news from Washington:

LEADERSHIP: Sen. Thomas J. Dodd, D-Conn., has shattered the Senate's clubby atmosphere with a blistering attack on his leader, Sen. Mike Mansfield of Montana.

For good measure, Dodd tossed a few darts at the Senate's Republican chief, Sen. Everett M. Dirksen of Illinois.

Irked by the slow pace the Senate is setting, Dodd took the floor Wednesday to declare "unless we have leadership we'll go on dribbling our way through this session."

Mansfield, said Dodd, is a gentle, kind, just and understanding man, but "I am concerned about his leadership."

As for Dirksen, Dodd said without mentioning the Illinoisan by name "the Republican opposition is so soft, so cozy, that it doesn't amount to much."

Dodd's particular complaint was the lack of night sessions to speed legislation.

"We are not sent here for a 9-to-5 job," he said. "We cut off these sessions as if we were clerks in an insurance company."

Mansfield was not present, but his assistant, Sen. Hubert H. Humphrey of Minnesota, rose to praise the Montana's leadership. And Dirksen's assistant, Sen. Thomas H. Kuchel of California, said no apology for the GOP leadership was necessary.

RAIL RULES: U.S. Dist. Judge Leonard P. Walsh has ruled that the Southern Railway System may continue to hire as firemen elderly, inexperienced men whose only duties are to sit in the cabs of diesel locomotives.

Operating rules "were and remain the sole responsibility of management," Walsh said Thursday in dismissing a contempt charge brought by the AFL-CIO Brotherhood of Locomotive Firemen and Engineers.

The federal judge had ordered last May 29 that the carrier hire firemen for all locomotives. The union contended the Southern violated his order July 1 by changing its operating rules to eliminate any duties for its firemen.

Putting 223 "aged men" with-

out physical or educational qualifications in firemen's positions was like "having a bag of sand occupy the fireman's seat," the union argued.

FALLOUT: Unless there is further nuclear testing in the air, the United States appears to have passed the peak of strontium 90 fallout, a Public Health Service official said Wednesday.

Dr. John R. Chadwick, chief of the service's division of radiological health, gave that assessment on release of a report showing that the strontium 90 content of milk continued to decline in August in most of the nation.

Strontium 90 is one of the most feared elements of radioactive fallout, being a source of bone cancer.

Chadwick said it appears the peak was reached in June.

What to do till

the doctor comes

Emergencies strike with sudden swiftness. A slip, a fall, a collision is seldom announced. So be prepared. At least one member of every family should have a working knowledge of first aid. There are books on the subject and the American Red Cross gives classes where such information and training can be acquired. We recommend that you, or someone in your household, acquire the know-how. Another worthy recommendation is to maintain a supply of first-aid medications on hand at all times—antiseptic, gauze bandages, adhesive tape, alcohol, soothing creams, etc. The cost is small and we'll be glad to assist you in your selection.

New Guidelines Set For School Reorganization Plan

HARRISBURG (AP) — The new guidelines are set for school district reorganization in Pennsylvania, combining a montage of old and new concepts.

The standards were adopted Wednesday by the newly created Board of Education, just under the deadline set by the state's School District Reorganization Law.

There were no surprises. The new standards included concepts developed out of the controversial 1961 compulsory reorganization law and new exemptions provided by the 1963 law which replaced it.

NEW EXEMPTIONS

The board also adopted tentative guidelines for areas desiring to push ahead with community college programs.

But the school district reorganization issue generated the most interest.

Among the new exemptions is "capability of providing a com-

prehensive program of education" which the board defined as: "The ability to educate and train each child within his capacity to the extent demanded by the immediate requirements of his growth and his relationship to the strengthening of the Commonwealth and nation and shall include, but not be limited to, wealth per pupil, qualifications of professional staff, enrollment and diversification of curricula."

RETAIN 4,000 MINIMUM

The capability factor will be a key one for small districts that would otherwise be required to merge with their neighbors, but feel they are capable of providing quality education without the merger.

The new law retains 4,000 pupils as the minimum per district, except where topography, population growth, community ties, transportation problems and school building develop-

ment influence the board's Council of Basic Education to make exemptions.

Each of the state's 66 counties outside Philadelphia must draw up plans for redistricting and submit them to the council by next July 1. Philadelphia, which has a single school system, is not governed by the law.

The reorganized systems are scheduled to go into effect with the 1966-67 school year, although districts will have the option of putting their plans into effect earlier if they so desire.

When reorganization is completed, the 2,056 school districts are expected to be reduced to about 500.

On community colleges, the board suggested 300 students as the minimum enrollment after two years to justify such an institution.

SCRANTON OK SEEN IN VOTE

SMETHPORT, Pa. (AP) — Pennsylvania's newest congressman says his election was a public endorsement of Gov. Scranton's legislative program.

Republican Albert W. Johnson made the comment Wednesday following his election Tuesday to fill the seat of the late Leon H. Gavin in the 23rd Congressional District.

Johnson, currently serving his third term as the majority leader in the state House, defeated William T. Hagerty of Clearfield by 18,000 votes.

"For me this is a smashing victory," said Johnson, who navigated Scranton's program through the general assembly this year.

"Four years ago I ran for judge of the state superior court," the 57-year-old attorney added. "I carried this same district by 13,000 compared with about 18,000 this time."

The Rev. John J. Foley, head of the province, said he had received a directive from the Rev. John B. Janssen, Jesuit general in Rome, to proceed with plans for the university.

The university is expected to open in late 1965 or early 1966.

When the fish was tagged in 1958 it weighed about 30 pounds. After being caught and cleaned the tuna still weighed 242 pounds after its trans-Pacific journey.

First Volume Of Former President Eisenhower's Memoirs Is Published

By MARVIN L. ARROWSMITH
WASHINGTON (AP) — It's Friday the 13th, January 1956. Dinner has just ended at the White House and President Eisenhower puts the big question to 12 key advisers:

Should he run for a second term?

Eleven of the 12 say yes. They argue it is Eisenhower's duty.

The 12th man is the President's brother, Milton. On other occasions Milton has urged the President, still convalescing from a heart attack, not to run again.

This particular evening the President asks Milton to state the case against a second term. This Milton does. And the President ponders, for the next six weeks, what to do.

DECIDED TO RUN

On Feb. 29 he announces he will seek re-election.

Word about the Jan. 13 dinner leaked out after a few days. So did reports that sentiment among the guests had been overwhelmingly in favor of a second-term try.

But now, almost seven years later, Eisenhower himself for the first time tells what went on at that intimate session. He does so in the first volume of his memoirs of White House years.

Published by Doubleday, it's a 650-page book dealing with his first term, the campaign which led to his election in 1952, and the precampaign pulling and hauling which got Eisenhower out of an Army uniform and into politics.

TELLS WITH PRIDE

Eisenhower's detailed story on his administration's record—how he and his aides dealt with scores of problems, domestic and international—is one he tells with obvious pride.

On the final page, in reporting his decision to run again as the crossing of "my personal political Rubicon," Eisenhower's theme is the same:

"We had converted the United States of America from a nation at war to a nation at peace, productive and happy."

Before turning back to that White House dinner in January 1956, there is interesting background in the book on what Eisenhower's earlier thinking was regarding a second term.

WANTED ONE TERM

He discloses that in January 1953 he wanted to write into his inaugural address a declaration

that he would serve only one term. Advisers talked him out of that, saying it would be a political mistake at that stage.

But 11 months later the President wrote brother Milton that if ever he showed any signs of interest in running for re-election, "please call in a psychiatrist—or even the sheriff . . . I feel there can be no showing that my 'duty' extends beyond a one-time performance."

And Republican seers wonder today whether Eisenhower has a preference for the 1964 presidential nomination might do some headscratching in reading another note he sent to Milton, in August 1955.

"Don't you know," Eisenhower wrote, "that long before I became president, you were my favorite candidate for that office?"

Milton now is president of Johns Hopkins University at Baltimore.

FIRE AUXILIARY DONATES \$500

McSHERRYSTOWN — The Ladies' Auxiliary of the McSherrystown Fire Company held its monthly meeting Tuesday with 19 members attending. Dolores Warner, president, presided and opened the meeting. Prayers by Miss Margaret Small were followed by the secretary's report was accepted. The treasury reported the amount of \$1,405. It was decided to donate the sum of \$500 to the ambulance fund.

The annual Christmas party will be held Sunday, December 1, at 6 p.m. The party is for members only and at this affair the ladies will exchange Christmas gifts.

Dues collected amounted to \$4.50 and the social fund \$3. The hospital bed and wheelchair were lent to Richard Leonard, Ridge Ave.

The executive committee voted to purchase a portable television for the fire company kitchen. Following the business refreshments were served.

The Cub Scout committee will have a meeting this evening at the home of Michael Brady, 325 North St., at 9 p.m.

National

Gov. Nelson A. Rockefeller opens his official campaign for the Republican presidential nomination with a formal declaration of his candidacy. He then visits politically important New Hampshire.

International

The overthrow of the Diem government has created a power vacuum that could lead to instability and more upheaval in South Vietnam.

A source close to Mrs. Ngo Dinh Nhu's family describes her as a clever business woman with ample resources in other countries, including a villa on the French Riviera.

ICE STAR WON 3 GOLD MEDALS

HERSHEY, Pa.—Pert Dorothy Nelson, star of Ice Follies of 1964 which opens a five-day stand at Hershey Sports Arena November 26, is the first girl in the history of America's amateur skating to win three gold medals, the highest achievement in skating.

Miss Nelson, who is also Richard Dwyer's new Ice Follies partner and the U.S. Pair titleholder, passed eight severe figure tests for one gold medal, waded through a series of 16 stern tests for another in the dance and annexed a third gold medal for pair skating. She is featured in Footlight Romance with Dwyer and as the Belle of Edinburgh in

the Highland Swing production. Other comely skating notables in the cast are Ina Bauer, three-time German champion; Jean Wrigley, Canadian regional champion, and Lee Carroll, southern California titlist. They will solo in the Parisian Potpourri, Highland Swing and Ballet in Blue productions. The beautiful ladies are supported by such famous male skaters as Donald Jackson, world's champion; Richard Dwyer, U.S. and Pacific Coast champion; Istvan Szenes, Hungarian champion, and Frank Carroll, Eastern and New England champion.

HOFFA UNION TO ASK \$250 MILLION HIKE

By NEIL GILBRIDE

WASHINGTON (AP) — The Teamsters Union will serve the nation's trucking industry with contract demands for about \$250 million a year in increased pay and fringe benefits for more than 400,000 workers.

Teamsters President James R. Hoffa said the union's three-year "master contract" to be mailed out Friday to representatives of 16,000 trucking firms is the biggest single labor agreement ever proposed.

In their first bid for a nationwide contract covering approximately 85 per cent of the U.S. trucking industry, the Teamsters are asking:

1. Pay increases of 15 cents an hour per man per year for three years.

OTHER DEMANDS

2. \$1 more a week for pensions and \$1 more a week for health and welfare.

3. Other fringe benefits including three days off with pay in case of death in a union member's immediate family, better vacation benefits, pay for jury service, two more paid holidays and 10 cents an hour for dental care.

Hoffa had previously announced a demand that management build and maintain a \$1-million dental and optical care center for union members.

Hoffa, who announced the demands Wednesday after hashing out details with a 75-man committee representing all Teamsters locals, called the proposals "a tremendous step forward" for his union.

BIG BENEFITS NOW

Teamsters truck drivers, helpers, mechanics, clerks and other employees to be covered by the contract now average about \$3.17 an hour plus \$6 a week in pension benefits and \$3.50 a week for health and welfare.

Hoffa, at a news conference, repeated earlier statements that there is no danger of a nationwide truck strike.

He also said he does not expect the trucking industry to absorb the Teamsters' demands without raising rates.

He said he hopes to start negotiations early in December in Chicago, personally heading a 50-man policy committee and a five-man negotiating committee in talks with industry representatives.

"UNANIMOUS"—?

Hoffa said the vote was "practically unanimous" among the more than 400,000 union members affected for the nationwide negotiations except for locals in New York and San Francisco representing about 6,000 members which voted against it. The Teamsters have a total membership of about 1.7 million.

Teamsters pay scales, now set up under regional contracts, range from \$3.06 an hour to \$3.28 an hour.

PATTY DUKE'S SHOW "TRITE," CRITIC SAYS

By CYNTHIA LOWRY

AP Television-Radio Writer

NEW YORK (AP) — Television viewers seeking light entertainment on Wednesday nights are not given much choice by the major networks.

They can brace themselves for 90 minutes of "The Virginian," a classic Western, on NBC. Or, if they don't dig gunplay, they can turn to ABC for situation comedy, long-playing, "Ozzy and Harriet" and The Patty Duke Show.

CBS' early evening schedule is invariably occupied with more serious shows such as Wednesday night's "Chronicle."

STRANGE RESULTS

One result is that the new Patty Duke Show, handcrafted for teen-age attention, is one of the season's big successes. It really doesn't deserve its high Nielsen ratings, for it is trite in concept and execution.

Miss Duke, one of the most talented young actresses around, plays a dual role — a raucous, ill-mannered American teen-ager, and her prime, studious look-alike cousin who sports an Irish or Scottish accent. The series is busily exploring every tired cliché of

the minimum scale in the first year to \$3.21, the second year to \$3.38 and the third year to \$3.55. The maximum scale over the period would rise to \$3.73.

The nationwide contract would expire Feb. 1, 1967.

the genre.

One hopes Miss Duke makes enough money from the series so she can return to the acting profession, which she graces.

"GIRLS" TO GO

"Harry's Girls" will conclude its short, feeble existence in December.

No. 1 candidate for its replacement on NBC is Jack Paar, who could extend his present hour variety show to 90 minutes.

NBC also will cancel "People Will Talk," a complicated audience participation show, next month—and replace it with a game show. The daytime half-hour has Dennis James as master of ceremonies. The pilot film was made with Arthur Godfrey, who wisely pulled out.

BING TONIGHT

The idea of making a weekly half-hour series out of old motion picture clips seemed a natural. But as NBC's Monday night "Hollywood and the Stars" has worked out, it appears to be repeating in bits and pieces, material which its producers have used, with greater style and sharpness, in

Theater Presents Play In English

HEIDELBERG, Germany (AP) — A play by a Broadway stage manager was presented at the Roadside Theater in October.

Robert Downing's "The Limbo Kid" was done in English. The script won the southeastern Theater Conference award in the U.S. in 1961, was used in a condensed version on TV and performed by several community theaters.

NOT BY THE BEE

CANAAN, Conn. (AP) — When truck driver Steven Stack, 35, of Watertown swatted at a bee, he lost control of his truck.

The truck smashed into a pole, knocked down four fence posts and a highway sign. The truck's front was smashed, and Stack received a ticket for failure to stay in lane.

Police said Stack had one consolation — he wasn't stung.

MRS. NHU MAY TRY TO REGAIN POWER IN SVN

By DORIS KLEIN
Associated Press Staff Writer
LOS ANGELES (AP) — Mrs. Ngo Dinh Nhu was reported today to believe that she still retains the loyalty of certain officers in the military junta which overthrew her ruling family's regime.

Mrs. Nhu's husband, Ngo Dinh Nhu, the country's political strongman, and his brother, President Ngo Dinh Diem, died in the coup last week.

A reliable source said Mrs. Nhu planned to return to South Viet Nam before the first general election is held under the new ruling group.

South Viet Nam's former First Lady believes she can regain political power in her country with the aid of the dissident officers, the source said.

Meanwhile, Mrs. Nhu was reported to have received a telephone call since the coup from former Vice President Richard M. Nixon.

Nixon explored, among other things, the failure of American officials in South Viet Nam to grant asylum to another member of the deposed family, President Diem's brother, Ngo Dinh Can.

Can sought protection in the American consulate at Hue, capital of central Viet Nam. But U.S. officials refused and flew him to Saigon, 400 miles south, in an American military plane.

Trip To Mars May Be Cut To 300 Days

DENVER (AP) — Putting wings on a U.S. spaceship to Mars may reduce to 300 days a round trip which planners have expected to require 30 months.

Robert B. D. Demoret, program director for advanced Titan launch vehicles for the Martin-Marietta Corp., said in a speech Wednesday that astronauts using a wingless craft would have to wait 405 days on Mars until that planet is in proper orbiting relationship for the return to earth.

By using wings to shorten its own orbiting time and distances, he said the craft could be "orbit hopping" and get home much faster.

Buddhist opponents of the ousted Diem regime charged that Can ruled the central region as a tyrant.

No additional details of the reported conversation between Nixon and Mrs. Nhu were disclosed.

Mrs. Nhu moved into spacious quarters Wednesday in the lavish hillside home of Mr. and Mrs. Allen Chase in Los Angeles' wealthy residential district of Bel-Air. With her were her eldest child, Le Thuy, 18, and her secretary.

There they hope to be reunited with Mrs. Nhu's three younger children who were flown from Viet Nam to Rome. They are being cared for by Mrs. Nhu's brother-in-law, Archbishop Pierre Martin Ngo Dinh Thuc, who is attending the Roman Catholic Ecumenical Council.

Littlestown WOMEN'S UNIT ELECTION HELD

Election of officers was held at the November meeting of the Ladies' Aid Society of St. James' United Church of Christ held on Tuesday evening at the church, along the Harney Rd. Mrs. Glenn Myers, retiring president, presided for the election and the results follow: President, Mrs. Roger Bair; Mrs. John C. Chatlos and Mrs. Fred Fissel and Mrs. Bair were elected to constitute the executive board; treasurer, Mrs. Donald Sentz; secretary, Miss Kathryn Staley; Mrs. Zona Harner and Miss Grace Spangler, flower committee; news reporter, Mrs. George Yealy.

A holiday party and covered dish supper will be held in connection with the next meeting on Tuesday, December 3, at 6:30 p.m. at the home of Mrs. John H. Riley, near town. There will be an exchange of gifts.

A hayride will be held by the Southern Adams Agriculture 4-H Club for members, guests and prospective members on Friday, leaving at 7:30 p.m. from the home of James Garl, Littlestown R. 2.

Mrs. Fred Fissel was program leader and the program included

a film strip on "Mission in Honduras," shown by Mrs. Chatlos; vocal trio, "How Much is That Doggie in the Window," Marion, Diane and Donna Fissel, accompanied on the accordion by Marion Fissel. The birthdays of Mrs. Roger Bair, Mrs. Allen Walker, Miss Kathryn Staley and Mrs. Helen Ferris were noted. Refreshments were served during the social hour.

TALKING CHRISTMAS

Four new members, Mrs. Ralph C. Unger, Mrs. Kenneth W. Olinger, Mrs. Robert Snyder and Miss Geraldine Lain, were welcomed at the monthly meeting of the Mason and Dixon Homemakers at the home of Mrs. Robert Mayers, near town, on Tuesday evening.

The topic "Christmas Ideas" was discussed by Mrs. Mayers, Mrs. R. Guy Lain and Mrs. Glenn Kindig.

VIRGINIA TECH COACH CLAIMS GREATEST QB

BLACKSBURG, Va. (AP) — It's another "year of the quarterback" in college football with names like Staubach, Lohridge, Sidle, Myers, Mira and Beathard outstanding.

But when Virginia Tech Coach Jerry Claiborne, a slow man with a superlative, speaks of "the finest running quarterback in the country," he isn't talking about any of those All-American candidates.

Claiborne is speaking of his own Bob Schweickert, an old-fashioned triple-threat whose exploits have given Tech six straight victories and may give the Techmen their first Southern Conference title.

"I haven't seen Staubach and those other guys," said Claiborne. "They all are wonderful. I'm sure. But I'll take my quarterback. He is the best all-around quarterback I've ever been associated with."

Considering that Claiborne played at Kentucky with Babe Parilli and later helped to coach Alabama's Pat Trammel before becoming head coach at Virginia Tech, that's quite a

LITTLE LEAGUE INSURANCE IS NOT LIMITED

WILLIAMSPORT, Pa. (AP)—Little League baseball has decided to scrap its controversial rule requiring all leagues to purchase accident insurance from one company.

From now on, reports Robert H. Stritt, public relations director for Little League, Inc., leagues will be free to buy their own insurance wherever they want.

The decision to abandon the one-year old rule came two weeks ago at the annual Little League board of directors meeting in New York.

The board has been snarled in controversy ever since it adopted the blanket policy rule in 1962, requiring all leagues to purchase accident insurance through Little League headquarters from a Reading-based company, American Casualty.

Some areas protested that the rule was an alleged violation of the antitrust laws.

COSTS RISING

But Little League president Peter J. McGovern explained that insurance costs were rising in many parts of the country and the one-company plan would serve to keep rates down.

American Casualty at the time submitted a low bid of \$16.50 per team as a rate.

Many leagues responded with a flurry of complaints claiming they could get the same coverage at better rates.

But comparative studies showed that some leagues were paying as much as \$30 to \$50 a team for insurance coverage.

Stritt said the idea is being scrapped because the legality of the blanket policy appears to be in conflict with some state statutes. Two of the objecting states were Iowa and Mississippi.

The Iowa insurance commission ruled the program a violation of Iowa's unfair trade practices act and banned any such arrangement in that state.

The Reading company actually covered some 50 per cent of the Little Leagues before the blanket policy idea was adopted.

AN ORDINANCE AUTHORIZING THE ISSUANCE OF \$11,000.00 PRINCIPAL AMOUNT NON-REVENUE BONDS FOR THE PURPOSE OF FINANCING WATER EXTENSION WITHIN THE BOROUGH OF FAIRFIELD.
BE IT ENACTED AND ORDAINED by the Borough Council of Fairfield, Pennsylvania, that:

Section 1. The purpose for which the non-revenue bonds are to be issued is to finance the construction of a water main extension by the borough pursuant to agreement with the Fairfield Municipal Authority along the Orrtanna Road within the Borough of Fairfield.

Section 2. The maximum amount of bonds to be issued is twenty-two (22) bonds of Five Hundred (\$500.00) Dollars principal amount each, for a total of Eleven Thousand (\$11,000.00) Dollars total bond issue.

Section 3. The maximum rate of interest that the bonds shall bear shall be 4 1/2% interest per annum.

Section 4. The maximum period within which the bonds shall mature shall be within thirty (30) years from the date of issuance.

Section 5. The amount of annual rentals, tolls or charges derived from the water main extension pledged for the payment of interest, sinking fund charges and state taxes to be paid thereon, shall be 85% of said annual rentals, tolls or charges and the borough shall hereinafter pledge 85% of such annual revenues for the payment of principal and interest on said bonds and taxes covenanted to be paid thereon.

Section 6. The bonds authorized hereunder are not and shall not be general obligations of the borough and no property or revenues of the borough shall be pledged to the payment thereof or the interest or state taxes to be paid thereon.

Section 7. The bonds shall constitute a lien against 85% of the rents, tolls or charges derived from the water main extension along the Orrtanna Road.

Section 8. 15% of the revenues from the rents, tolls or charges from the water main extension shall be applied for repairs and cost of water. The remaining 85% of said revenues shall be used to pay interest at the rate of 4 1/2% per annum semi-annually, beginning six (6) months from the date of issuance and every six (6) months thereafter, on said bonds. The bonds shall be registered and payments of interest shall be made to the registered owner. The repayment of the principal sum of said bonds shall be at the option of the borough, but shall be made no later than thirty (30) years from the date of issuance. Bonds, whenever paid, shall be paid with no premium for prepayment.

Claim Victory Over Red Forces

SAIGON (AP)—South Vietnamese troops today reported their first victory against Communist forces since the overthrow of President Ngo Dinh Diem.

The official news agency Viet Nam Press reported 38 guerrillas were killed in a battle Wednesday east of the provincial capital of Phu Yen.

Three government soldiers were wounded and a quantity of weapons was seized from the Reds, the announcement said. It added that the operation was continuing.

BICENTENNIAL
COMMITTEE
MAKES PLANS

The executive committee of the Littlestown Bicentennial Corporation met on Tuesday evening with a representative committee from the Alpha Fire Company No. 1 in the first session for laying the groundwork for the bicentennial celebration to take place in the summer of 1965.

The committee chairman, J. Arthur Boyd, spoke briefly on what has been done in the way of preliminary planning and the signing of the contract with the John B. Rogers Producing Company, noting that "Littlestown can stage a celebration and program that will be long remembered, with conservative thinking and careful planning."

The suggested program as outlined by the producing company was presented by cochairman Marvin F. Breighner, for the benefit of the fire company committee, which included President Clyde Harner, Jack Rebert, Harry W. Badders and Dennis Wallick.

The dates for the celebration, the parade, the entertainment and other pertinent suggestions were discussed in detail. The committee will take the information back to the fire company at their next meeting on December 10 for further discussion and a decision on the extent of the fire company's participation in the bicentennial.

Other members of the executive committee, all of whom were present, were Samuel H. Higinbotham, headquarters chairman; Ray T. Harner, treasurer and Mrs. Paul E. Aloff, secretary. The executive committee will have its next meeting on Wednesday, November 13, at 8 p.m. at the home of the chairman.

LITTLESTOWN—Mr. and Mrs. Harry T. Harner, E. King St.; her brother-in-law and sister, Mr. and Mrs. Francis Yeates and Mrs. Bessie Morrison, Denton, Md., returned home Monday from a two-week vacation trip to Hawaii. The trip was made via jet from Friendship Airport, Baltimore, to San Francisco, Calif., from where they continued by jet to Honolulu. In Honolulu they visited Mt. Tatalus, Ialoni Palace, the Civic Center, Punchbowl Crater, Robert Louis Stevenson's grass hut; they toured Oahu Island and took a cruise to Pearl Harbor and Hickam Field, toured the outer islands including Maui and Hawaii; in Koarai they visited Antherium Gardens and Kilauia Volcano and Crater, on Kauai Island they saw the fern grotto and the Grand Canyon of the Pacific. Enroute home, they toured in the San Francisco area and Muri Woods.

The Frogtown Homemakers will meet on Wednesday, Nov. 13, 7:30 p.m. at the home of Mrs. Rainier Buehler, Two Taverns. Mrs. Robert Gitt and Mrs. Robert Steick will be leader for the program on "Christmas Ideas."

Larry Unger returned to Washington on Sunday after spending a 30-day leave from the Navy at the home of his father, Ralph I. Unger, E. King St.

The annual father and son banquet of Grace Lutheran Church, Two Taverns, will be held on Friday, Nov. 22, 6:45 p.m. in the parish hall. The meal will be served by the women of the church. The deadline for securing tickets is Nov. 17.

The Ladies' Auxiliary to the Fraternal Order of Eagles, Littlestown Aerie No. 2226 will hold a public party on Friday at 8 p.m. in the social room of the F.O.E. Home, W. King St.

The Luther League of St. John's Lutheran Church will have a hayride for members and their guests on Friday, leaving from the church at 7:30 p.m. The group will return there for Fellowship and refreshments.

Prizes will be awarded and refreshments will be available at the Kingsdale Fire Company public party at 8 p.m. on Friday in the engine house, along the Littlestown-Taneytown Rd.

Three oak bedroom suites; dining room suite; dinette set; living room suites; television; mangle; refrigerator; wringer washing machines; rocking chair; chairs; carpet sweepers; guns; old clocks; electric, coal and wood ranges; couple ironstone dishes; old picture frames; oil burner stove; deep freezer; round oak table; reel-type lawn mower; lawn roller; garden tools; roll-away bed; single bed; large typewriter desk (oak); 9 x 12 rug; pots and pans; one large gas refrigerator; 20-gal. hot water heater; chest of drawers; lawn chairs and gliders; many articles too numerous to mention.

Richard Baldwin, Auctioneer
Brown and Stultz, Clerks

This was reported Wednesday by authoritative sources after the Allies accused Moscow in a diplomatic note of arbitrary and unjustified action in delaying an American Army convoy for 42 hours. The convoy was finally waved through Tuesday night.

Neither the protest nor the fact that the Americans eventually were allowed to proceed means that this gloomy chapter of U.S.-Soviet relations can be closed, authoritative sources warned. They said that officials of the administration agree the West must expect similar or other harassments in and around Berlin.

SEEK PERSON

This is the result of the first, hasty assessment of this latest Soviet attempt to make the United States, Britain and France accept Russia's rules on the autobahn, the highway connecting Berlin with the West. A more scientific evaluation will follow.

The aim will be to find the

answer to this question: Why did the Soviets do what they did, first in October and now, less than a month later, again?

The 12-vehicle convoy with 24 drivers and co-drivers, carrying 20 "passengers" or troops, was held up at the Marienborn checkpoint on the western end of the autobahn. The Soviets first requested that the passengers dismount, then said they would be satisfied if the tailgates of some of the vehicles would be lowered. Both requests were refused.

MAKE OWN COUNT

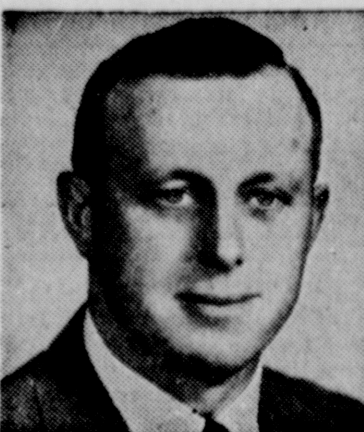

The basis for this refusal is Western insistence that the So-

viets can make a headcount of passengers by simply looking into the vehicles if the troops number less than 30. If there are more, Western convoy commanders have instructions to let their men dismount for a headcount.

Premier Khrushchev, in talking Wednesday to a group of American businessmen, maintained that the trouble was caused by an American attempt to change "established procedures." He also claimed the dispute was solved only when the U.S. commander agreed to "observe the established procedure."

FRIDAY BUFFET

Peasant Vegetable Soup
French Bread
Cold Seafood Platter
Green and Red Salad
Steamed Chocolate Pudding
Beverage

GREEN AND RED SALAD

8 cups torn mixed salad greens
2 cucumbers (pared and scored and sliced thin)
1 small red onion, sliced paper-thin and separated into rings
¼ cup minced fresh dill
Olive and safflower oils
Herb-flavored red wine vinegar
Seasoning salt
Salt and freshly-ground pepper

At serving time turn the salad greens into a large salad bowl. Ring greens with cucumbers and sprinkle with dill; arrange red onion rings in center. Toss with a dressing of the oils, vinegar and seasonings, using the proportions you like. Makes 10 to 12 servings

NEW REFRIGERATOR CHEESE CAKE

3 envelopes unflavored gelatin
1 cup milk
2 eggs, separated
3 cups (24 ounces) cream-style cottage cheese
1 can (6 ounces) frozen lemonade concentrate
¼ cup sugar
1 cup heavy cream, whipped
Crumb Crust

In a 2½-quart saucepan, sprinkle the gelatin over milk to soften. Add egg yolks; stir well. Place over low heat stirring constantly, until gelatin dissolves and mixture thickens slightly — 2 to 3 minutes. Remove from heat. Sieve cottage cheese or beat on high speed of electric mixer until smooth, 3 to

4 minutes. Stir cottage cheese and unthawed concentrate into gelatin mixture. In clean bowl with clean beater, beat egg whites until stiff; gradually beat in sugar until very stiff; fold into gelatin mixture. Turn into Crumb Crust; sprinkle with reserved crumb mixture. Chill until firm, 2 to 3 hours. Makes 12 servings. To prepare Crumb Crust, mix together 3 tablespoons melted butter, ¾ cup graham cracker crumbs, 2 tablespoons sugar and ¼ teaspoon each cinnamon and nutmeg. Press ½ cup of the mixture into an 8- or 9-inch spring form pan; reserve remaining crumbs for topping.

HAM AND CHEESE

4 large eggs
¼ cup diced cooked ham
2 tablespoons grated Parmesan cheese
White Pepper
1 or 2 tablespoons butter
Beat eggs just enough to combine yolks and whites; stir in the ham and cheese. Add a dash of pepper; the ham and cheese should provide enough salt. Melt butter in an 8-inch skillet until medium-hot; pour in egg mixture. Cook over low heat, lifting egg mixture from bottom of skillet with large spoon or spatula as it sets. Serve at once. Makes 2 servings.

JIM BEARD'S FAVORITE

MEAT LOAF

2 pound ground beef

1 pound ground pork
2 garlic cloves, finely chopped
1 fairly large onion, finely chopped
1 teaspoon salt
1 teaspoon freshly ground black pepper
1 crumbled bay leaf
½ teaspoon crumbled thyme leaves
1 teaspoon chopped green pepper
½ cup dry bread crumbs
2 eggs
Salt pork

Mix all ingredients, except salt pork thoroughly and knead with the fingers until the mixture is very thoroughly blended. Form into a long loaf or cake with butter and cross with 2 to 4 additional slices of salt pork. Roast in slow (325 degrees) oven, basting occasionally, for 1½ to 1¾ hours, or until the meat loaf is cooked through.

Constant basting makes a moist loaf. If you serve this meat loaf hot let it stand on a hot platter for 10 to 15 minutes before you carve it, to settle the juices. It is even more delicious when served just at a temperature between warm and cold, with a salad. It is excellent served in thin slices the next day, and it makes superb sandwiches.

Food Editor's Note: This recipe is from "The James Beard Cook Book," available in hard cover (Dutton) and in soft cover (Dell).

COMPANY DINNER

Broiled Steak French Fries
Flavorful Green Beans
Salad Bowl Bread Tray
Apple Pie with Cheese

FLAVORFUL GREEN BEANS

1 pound snap beans
1 cup boiling water
½ teaspoon salt
1 teaspoon seasoning salt
2 tablespoons butter
1 tablespoon instant minced onion
1 can (6 ounces) sliced mushrooms, drained
Snip ends from beans and scrub in cold water; cut into 1½-inch slant-edged pieces. Place in a 1-quart saucepan with the boiling water, salt and seasoning salt; boil, covered, until ten-

der — about 10 minutes; turn over beans midway through cooking period. Drain beans. Melt butter in saucepan with onion; add mushrooms; stir over moderately low heat until onions soften — 3 to 5 minutes. Add cooked drained beans; re-heat if necessary. Makes 6 servings.

GOOD LUNCH

Hearty Vegetable Soup
Barbecue Rolls Carrot Sticks
Fresh Fruit Beverage

BARBECUE ROLLS

1 can (2½ ounces) deviled ham
2 tablespoons chili sauce
2 teaspoons instant minced onion
6 butterflake rolls (1 six-ounce package)
1½ sandwich size slices cheddar cheese
Mix together the deviled ham, chili sauce and onion. Separate each roll in 4 places but not all the way through. Spread the ham mixture over cut places in rolls. Arrange on foil on a small cookie sheet. Cut cheese into 6 squares; place a slice over the top of each roll. Bake in a moderate (375 degrees) oven about 10 minutes or until cheese is melted — it should drip down into cuts — and rolls are hot. Makes 3 to 6 servings.

Beef Vegetable Casserole

2 tablespoons olive oil
¼ cup chopped onion
1 clove garlic, crushed
1 pound lean ground beef
1 tablespoon flour
1 teaspoon salt
¼ teaspoon pepper
¼ teaspoon dry crushed oregano
1 medium eggplant, skin removed and sliced
2 large ripe tomatoes, skin removed and sliced
1 cup grated cheddar cheese
In a 9 or 10-inch skillet, heat the oil; add onion and garlic; cook gently until wilted. All the beef, flour, salt, pepper and oregano; mash with a fork to crumble and cook until beef loses its red color. Turn into a 1½-quart casserole. Meanwhile cook the eggplant in boiling salted water to cover until just tender; drain; arrange over beef mixture;

LADIES' LUNCHEON

Scrambled Eggs with Anchovies and Canadian Bacon
Tossed Salad Drop Biscuits
Orange Freezer Cookies
Beverage

Orange Freezer Cookies
1¼ cups sifted flour
¼ teaspoon baking powder
¼ pound butter
½ cup sugar
1 egg, separated
1 tablespoon grated orange rind
1 tablespoon orange juice
½ cup finely chopped pecans
Sift together the flour and baking powder. Cream butter and sugar; beat in egg yolk and orange rind. Add sifted dry ingredients and orange juice; stir until combined. Pack dough, a little at a time and very firmly, into frozen fruit juice concentrate cans (six-ounce size); dough will fill 1½ cans. Cover tightly; place in freezer for several hours or overnight. Loosen edge of dough with a knife; remove bottom of cans with a can opener; use bottoms to push out dough. With a sharp knife slice dough from the full can into 20 to 24 rounds, from the half-filled can into 10 to 12 rounds. Beat half the egg white until foamy throughout; brush over cookies; sprinkle with pecans. Bake on ungreased cookie sheets, one inch apart, in moderate (350 degrees) oven until lightly browned around edges — about 12 minutes. Cool on wire racks. Store in tightly covered container.

SMORGASBORD SUPPER

Herring and Potato Casserole
Sliced Meats Assorted Cheeses
Beet Salad Frances Brown Bread
Apple Pudding with Custard Sauce
Beverage

Beet Salad Frances
2 cans (one pound each) sliced beets
½ cup cider vinegar
1 tablespoon dark brown sugar
1 teaspoon mixed pickling spice
1 large cucumber (pared, scored and thinly sliced)
Tiny or small-size tomatoes
Drain beets; turn into a shallow dish; reserve. Pour one-half cup of the beet liquid into a small saucepan; add the vinegar, sugar and pickling spice. Slowly bring to a boil; boil five minutes. Pour over beets. Chill about four hours or overnight; turn beets after several hours. At serving time, drain beets and arrange in center of chop plate or other flat serving dish; surround with sliced cucumbers; add tiny tomatoes or half slices of small-sized tomatoes as outside border. Makes eight to 10 servings.

Democrat Wins Mayoralty In San Francisco

SAN FRANCISCO (AP)—San Franciscans turned out in force despite drizzling rain Tuesday and elected a Democrat as the city's mayor for the first time in 55 years.

Nearly complete returns showed 12-year Congressman John F. Shelley ahead of his closest rival, Republican Supervisor Harold Dobbs by 114,790 to 88,954. Almost 75 per cent of the eligible voters cast ballots.

Shelley, who is 58, will be the first Democrat to enter City Hall since Edward R. Taylor was appointed mayor following the ouster of Eugene E. Schmidt during a period of graft prosecution. Taylor was re-elected in 1958.

Though the mayor's post is nonpartisan, this campaign had marked political overtones. Shelley received the endorsement of Democratic Gov. Edmund G. Brown and considerable support from party rank and file workers.

Dobbs had the endorsement of San Francisco's three major newspapers and a word of "confidence" from out-going Mayor George Christopher, a Republican barred by charter from succeeding himself a second time.

U.S. TURNCOAT COMES HOME

BRUSSELS (AP)—An American Army turncoat who was born in Belgium but whose mother lives at Ashland, Pa., has come here hoping to take up residence.

Albert Belhomme arrived Tuesday from Hong Kong with his Chinese wife and three children.

They moved into a small hotel near the airport.

Belhomme said he is broke and has no place to go. He told reporters he hopes to collect back pay from the Army and settle in his native country with his wife, Hsui Yung, 28, and their sons, Billy, 6, Rick, 4, and Leon 1.

Belhomme said he was taken prisoner by Chinese forces in November 1950. He said after being told some Americans had been tried for treason and desertion he had not dared to come back to the West.

The 34-year-old Belhomme was one of 21 American prisoners of war who refused repatriation after the Korean War. Only five of these now remain in China.

2 Judges Score Politician Green

HARRISBURG (AP)—Superior Court Judges J. Colvin Wright and Harold L. Ervin said today their re-election "will cause politicians such as Bill Green to think a second time before opposing, without reason, the re-election of judges on the sitting judge principle."

The Republican incumbents issued a joint statement on their apparent victory in Tuesday's statewide balloting for second 10-year terms on the appellate court.

They had been opposed by Democrats J. Sydney Hoffman and Paul W. Mahady.

Under the sitting judge principle, incumbent judges are endorsed by both parties for re-election as long as they have performed satisfactorily in office.

Green is the Philadelphia Democratic chairman.

TODAY In History

By THE ASSOCIATED PRESS
Today is Thursday, Nov. 7, the 311th day of 1963. There are 54 days left in the year.

Today's highlight in history: On this date in 1811, Gen. William Hery Harrison led 1,200 U.S. troops to victory in the Battle of Tippecanoe, Ind.

On this date: In 1659, the Pyrenees Mountains were fixed as the boundary between France and Spain, thus ending a 24-year war between the two countries.

In 1835, work was begun on the New York and Erie Railroad.

In 1917, Communist rule of Russia began when Nicolai Lenin and Leon Trotsky led the revolt which overthrew the government of Alexander Kerensky.

PLANE SHOT DOWN
In 1954, a U.S. Air Force photo-reconnaissance plane was shot down by Russian jet planes over Hokkaido Island, Japan.

Ten years ago — Power and communication lines were ripped down as high winds and waves raked the East Coast from southern New Jersey to New England in the wake of a record snowfall.

Five years ago — New York jeweler Harry Winston announced he had given the fabulous 44.5-carat Hope diamond to the Smithsonian Institution.

One year ago — President Franklin D. Roosevelt's widow, Eleanor Roosevelt, died at the age of 78 after a long illness.

Eggs Benedictine often appear on restaurant menus. This dish is a combination of toasted English muffins, hot slices of cooked ham, poached eggs and Hollandaise sauce.

FAIRFIELD — Family night, sponsored by the Ladies' Guild, was held Wednesday evening at the Fairfield Mennonite Church at 7:30 o'clock. Mr. and Mrs. Robert Schmeeman, workers at the Old Mill, a children's home near Salzburg, Austria, showed slides of the work there and a film on Mennonite voluntary service camps in Europe. The children need warm knee socks, leotards and underwear as well as school supplies. They range in age from seven to 12.

Thursday evening at 7:30 o'clock there will be a play rehearsal in the Mennonite Church.

The Youth Fellowship topic for Sunday will be "Inter-Church Action" led by Rev. Gerhardt Klaassen.

Weekly discussion groups began Wednesday at the Mennonite Church with Dr. Bream and will continue on November 13, 20, 27; December 4, 11; January 15, 22, 29; February 4, 12, 19, 26.

The international gift bazaar and tea will be held in the Mennonite Church November 14 from 1 to 5 o'clock and from 7 to 10 o'clock.

The Cub pack committee will meet Thursday evening at 7 o'clock at the home of Mr. and Mrs. Kermit Spence.

The local bridge club met at the home of Mrs. Robert McClellan Monday evening. High scorers for the evening were Mrs. Catherine Wilson and Mrs. George Fair. Low scorer was Mrs. J. Warren Martin. The club will meet November 18 at the home of Mr. and Mrs. Luther Kepner.

Girl Scout Troop 757 met at the home of their leader, Mrs. Charles S. Taylor, Tuesday evening with 19 members present. Kathy Peach, daughter of Mr. and Mrs. Herman Peach, R. 2, who has been a Girl Scout for five years, has transferred to the troop from West Moreland County.

The troop was awarded fourth place in the Halloween parade

in the junior costume group for which they received \$5. The committee responsible for the float was Betsy Neely, Jane Weikert, Bonnie Flenner, Cynthia McDannell, Linda Herring and Pamela Taylor. The girls who marched in the parade will receive credit toward their foot traveler badge.

The Persian Kittens Patrol will plan the investiture service to be held next week.

The troop is working to complete requirements for the battle-field badge. Mrs. Taylor was assisted by Mrs. George Flenner and Mrs. Merle Kittinger. Jeanne Reindollar led the group in singing "taps" for closing.

Mr. and Mrs. Frank Kuykendall, R. 1, returned home after visiting their son, Kenneth F. Kuykendall, who has returned to the states

Miss Gwen Shorb, Washington, spent the weekend with her parents, Mr. and Mrs. Clarence Shorb.

Mr. and Mrs. Robert Walter, Gettysburg, visited with Mrs. Walter's parents, Mr. and Mrs. Quinn Topper, over the weekend.

Mr. and Mrs. Paul Keepers visited with their son-in-law and daughter, Mr. and Mrs. James Nickoles, and family, Westminster, on Sunday.

Mrs. Mary Pastorette, operator of the Emmitsburg Clothing Shop

Columbus, will meet November 18 at 8 p.m. in the council home. The Knight of the Year banquet, sponsored by the group, will be held Saturday evening in the VFW annex. The affair will be catered by Francis X. Ligorano, Cogan Union director, Mt. St. Mary's College. Music for dancing will be furnished by Joe Elkins orchestra, Frederick.

Mrs. Carrie Dern recently celebrated her 90th birthday at a dinner given in her honor by her eight children. A special greeting was received from Gov. J. Millard Tawes.

The New Frontier Democratic Club will sponsor a penny bingo on Thursday, November 14, at 8 p.m. in the VFW annex.

ALBANY OUSTS DEMOCRATS

COHOES, N.Y. (AP) — The defeated mayor of this Albany County city watched his Democratic administration fall in a stunning election upset and promptly declared a state of emergency.

Mayor Andrew H. Santsprey ordered extra police into the streets early Wednesday because

here, has announced that she has purchased Mrs. Blanche Miller Brewer's gift shop at 8 Carlisle St., Gettysburg, where she will sell nurses' and waitresses' uniforms, shoes and baby gifts.

of what he said was widespread violence.

Police later described the incident as "just a little celebration."

Santsprey had told reporters, "The citizens are going crazy. They're ripping convertible tops, throwing bottles through windows and ripping down the American flags."

Dr. James E. McDonald, who unseated Santsprey, said he had no knowledge of any violence.

Independent candidates swept the Democrats from a position of municipal control they had held for 30 years.

U.S. Plans Undersea Nuclear "Listening Post"

Cross-section of the earth showing how shock waves travel.

The seismograph is small—not much bigger than a suitcase—but extremely sensitive.

by FRANCIS STILLEY
AP Newsfeatures Writer

The United States is going underground to detect underground nuclear weapons tests elsewhere in the world. Actually, to put it more precisely, the U.S. is going under water to do it.

It will be a sort of super-sensitive seismograph—the instrument ordinarily used to record earthquakes.

It will be placed on the bottom of the Pacific Ocean off the coast of California.

At the same time, the ocean-bottom seismograph will be used to carry out a number of other studies of a purely scientific nature.

JOINT UNDERTAKING

The instrument is a modification of the lunar seismograph developed by Columbia University's Lamont Geological Observatory at Palisades, N. Y., for landing on the moon.

The ocean-bottom seismograph project is a joint undertaking of Columbia scientists and the Advanced Research Projects Agency of the Office of Naval Research.

Columbia terms the instrument as being "capable of accomplishing a major breakthrough in detection of underground nuclear weapons tests."

It will be placed more than two miles below the surface of the Pacific at a spot approximately 15 miles south and west of Point Arena, Calif.

CHECK OTHER TESTS

A coaxial submarine cable

will connect it with recording instruments on the shore near Point Arena, which is about midway between Cape Mendocino and San Francisco.

The U.S. has a number of ways of checking on above-ground nuclear tests by other nations. However, underground explosion—permissible under the nation's limited test ban with Russia—are not so readily detected.

Dr. Maurice Ewing, director of the Lamont Observatory, said the bottom of the ocean will provide a good seismic site because it is far from man-made noises.

He said also that the ocean itself serves as a buffer to shield the ocean floor from horizontal stresses of the wind.

VARIOUS METHODS

"There are various seismic methods by which some improvement in our knowledge and technique for handling the underground weapon test surveillance problem can be obtained."

"These include use of quiet seismograph locations, improved seismographs, vast seismic arrays, computer data reduction techniques, etc."

"The ocean-bottom seismograph, however, is alone in its capability of making a major breakthrough in this surveillance problem. It could provide completely new techniques."

"This seismograph is a superb scientific tool."

Considerable underwater test-

Former Librarian Indicted For Theft

SCRANTON, Pa. (AP)—A federal grand jury has indicted former Scranton librarian Richard F. Caverly and a New Jersey book dealer in connection with the alleged theft of books and periodicals worth some \$15,000 to \$20,000 from the Scranton Public Library.

Caverly, now of Denver, Colo., and James S. Rizek of Highland Park, N.J., were indicted Wednesday on seven counts of conspiracy.

The indictment charges that Rizek made use of his position with the Raritan Book Co. and the Middlesex Book Co., both in New Brunswick, N.J., in disposing of books and periodicals.

Caverly allegedly assisted in obtaining and transporting the books.

ing has been carried out with less sophisticated instruments.

The Lamont Observatory will build, install and operate the California instrument and monitoring station under the Navy contract.

For purely scientific study, it will include devices to measure variations in the earth's magnetic field, ocean pressures, sounds, water temperature and possibly ocean bottom currents.

These too would be recorded at the shore station.

There was no announcement as to when the installations would be put into operation.

DEATHS

MONTREAL (AP)—John Wilson McConnell, 86, financier, philanthropist and former publisher of the Montreal Star, died Wednesday.

LONDON (AP)—Lord "Tommy" Graves, 86, known as the bookmaker peer, died Wednesday. Henry Algernon Graves, man-about-town and bookmaker, succeeded to the title of seventh baron in 1937.

PROVIDENCE, R.I. (AP)—Dr. Charles W. Peabody, 70, former chief of orthopedics at the Henry Ford Hospital and the Harper Hospital, both in Detroit, died Wednesday.

CHICAGO (AP)—James P. O'Brien, 50, U.S. attorney for the northern district of Illinois since 1961, died Wednesday of cancer.

PALO ALTO, Calif. (AP)—Francis W. Blair, 71, director of research and development for Procter & Gamble Co. of Cincinnati from 1927 to 1956, died Wednesday.

Among the publications allegedly handled by the two men were Congressional records on deposit with the Scranton library.

Manager Birdie Tebbetts of the Cleveland Indians will have Elmer Valo, George Strickland and Early Wynn as his 1964 coaches.

WINS \$79,660 AT ROOSEVELT

WESTBURY, N.Y. (AP)—Joseph Mariano, a once-a-week bettor from Waterbury, Conn., won \$79,660.30 on the twin double at Roosevelt Raceway Wednesday night, the biggest twin double payoff on record.

Mariano completed his big payoff when Lt. Byrd came across the finish line the winner for the first time in 22 starts. Lt. Byrd was a \$61.60 longshot.

The other three winners making up the twin double were Miracle Henry, a \$4.90 favorite;

Sea Missile, a longshot at \$32.80, and another favorite, Dixie Melody, at \$6.90.

Mariano comes to Roosevelt once a week and says, "It's a ritual with me."

He happily took a check from track mutuel manager, Joseph Lynch, for the amount.

"I plan to help my married daughter, Elaine, with her new house," said Mariano, "and pay my taxes with the rest."

WILLIAMSPORT, Pa. (AP)—Republican Raymond M. Knauer, 46, ousted incumbent Thomas H. Levering Monday for mayor.

Levering, 64, a Democrat, had been mayor since 1956.

BUS CRASHES IN STORM; 7 ARE KILLED

TRUCKEE, Calif. (AP)—A special bus carrying fun seekers for a night's gaming at Reno, Nev., crashed in the stormy High Sierra Tuesday, killing 7 passengers, and injuring 32 including the driver.

Bodies were scattered up and down a rain-slicked freeway.

The victims were rushed to a small nearby Truckee hospital. The more seriously injured were taken on to Washoe Medical Center in Reno, 28 miles away.

All the dead were California men. Five were killed outright in the crash as the bus rolled over at least three times into a highway divider that also serves as a drainage ditch. Three of the five were found under the bus, resting on its side.

The bus driver, John Gastanik, Jr., 38, Sacramento, refused to comment on the mishap. He suffered head cuts.

In San Francisco, Greyhound officials said the bus was chartered by the Cal-Neva Casino in Reno to bring 38 persons, all but two Californians, up to the Nevada city for an overnight stay.

LONDON (AP)—Iain Macleod, a Conservative party leader who fought the selection of Sir Alec Douglas-Home as prime minister and refused to serve in Home's cabinet, has a new job.

He has been appointed a director of a London bank. Last week, Macleod was named editor of The Spectator, a weekly journal with a long tradition of political independence.

Under former Prime Minister Harold Macmillan, Macleod was the Conservative leader in the House of Commons.

Score Heavily In Lackawanna

SCRANTON, Pa. (AP)—Democrats swept all but one office in voting in Lackawanna County and Scranton Tuesday. The only Republican to win was Charles R. Harte who was re-elected to the county commission.

Democrats won a judge's race and seven other county offices, plus three school directors and a city controller in Scranton.

The voters also gave Democratic candidates for Superior Court 10,000-vote margins in early returns.

BOY, 4, WALKS FOR FIRST TIME

DALLAS (AP)—"When I get some legs," young Richard Matlock once promised his mother, "I'll learn to walk."

Richard, now 4, kept his promise. Three days ago he walked for the first time in his life.

Doctors and therapists at Texas Scottish Rite Hospital for Crippled Children gave Richard what nature tragically withheld. He was born without legs and without a right arm, and he had a deformed left hand.

His mother, Mrs. Windle Matlock of Dallas, works. So far she hasn't watched her son walk. But when she does, she hopes to keep a promise too.

"I want some blue jeans when I get my legs," he had said, and she agreed Richard would have them.

Heinrich Luebke of West Germany arrived in Tokyo for a 13-day visit and told newsmen his country welcomes Japan's tendency to strengthen cooperation with Western Europe.

Luebke didn't elaborate on the remark.

MOSCOW (AP)—Cosmonauts Valentina and Andrian Nikolayev will honeymoon in India, Nepal, Ceylon, Indonesia and Burma.

The Soviet news agency Tass said the couple will leave Moscow Nov. 9 for India.

Cosmonaut Valery Bykovsky, who was Valentina's co-traveler in space, and his wife, will accompany the couple.

Today In Washington

WASHINGTON (AP)—In the news from Washington:

PRICE WARNING: President Kennedy's top economic advisers have warned that consumers face higher prices if Congress passes "quality stabilization" legislation.

A bill passed by the House Commerce Committee and pending before the Rules Committee would allow manufacturers of trade-marked merchandise to set a minimum retail price.

"With price competition eliminated, manufacturers would tend to set uniform prices at or near—or in some cases above—the top of the present range," the Council of Economic Advisers said Tuesday in an analysis, which had been asked for by the Senate-House Economic Committee.

As for small retailers, the council said most would benefit only temporarily, because the bill would bring increased use of private brands, sold under the labels of large department and chain stores.

ATOM COSTS: The Atomic Energy Commission isn't saying if a drop in operating costs for developing nuclear weapons means a cutback in weapons production.

The AEC announced Tuesday that it spent nearly \$697 million for such work in the fiscal year which ended last June 30. This represented a drop of some \$9 million from fiscal 1962 when such costs were nearly \$706 million.

FOUND: What is likely the first trace of the white man in America—a Viking village and perhaps the home of Leif Erickson himself—has been uncovered on the northern tip of Newfoundland.

It dates back 500 years before Columbus' trip to America. Delicate patterns, stoney traces and bits of weathered iron in the soil were found in 1960 by a Norwegian explorer, Dr. Helge Ingstad and his archaeologist wife.

Lancaster GOP Hold County Seats

LANCASTER, Pa. (AP)—Republicans kept a firm grip on the city and county offices in Tuesday's voting.

City residents also voted to change the commission form of government to a mayor-council type. In unofficial but complete returns the vote was 6,339 to 3,242 in favor of the change.

Republicans Benjamin F. Weaver and Arthur B. Campbell Jr. won seats on the county commission and independent Democrat Herbert R. Wagaman retained his minority seat. Wagaman had not been endorsed by the party, but won the primary.

The organization backed Democratic candidate, Earl B. Myers finished last in the voting.

Other Republican winners, included City Council candidates Harold A. Barr and Clarence Hendrickson.

Wilson Bucher, a Republican, handily defeated R. I. Pfannebecker for district attorney.

ciety which had helped sponsor the work—Dr. Ingstad made his announcement.

"It cannot definitely be proved that this specific settlement was indeed founded by Leif Erickson, but there is indication it was," he said.

BROKEN MIRROR: A mirror in the White House Red Room was shattered Tuesday by a visitor who tossed an urn at it.

The visitor, Rodrigo Garcia Canizarez, 27, who said he was a native of Cuba but came to the United States via Mexico, was sent to District of Columbia General Hospital for mental observation.

He gave no reason for his action.

White House officials said that the glass in the mirror is easily replaceable. The frame, which dates back to the Andrew Jackson Administration (1829-1837), was not damaged. The urn, one of three on a desk below the mirror, was damaged but can be repaired.

Family Food Facts

Seasonal meat and poultry supplies afford abundant meal planning choices this week. Beef production during the next two months is expected to be eight to 10 per cent larger than last fall. Seasonally large supplies of pork will continue and there are more fryers and turkeys than a year ago. Among meat values, you'll find beef chuck roasts, pork loin roasts and turkeys being offered at local food markets at special prices.

MORE VALUES

Beef continues to be a better value in more stores. The number of cattle now coming to market continues well above this time a year ago. Live prices are averaging six cents a pound under last fall. Promotionally blade cut chuck roasts that cost 35 to 39 cents a pound at retail this year were 45 to 49 cents a pound last year.

TRACKING DOWN BUYS

If the hunter in your family hasn't been bagging game for the dinner table chances are you'll be hunting meat values at the food store. Here's a tip that might help you track down a good meat buy this week. Pork prices are starting their seasonal decline and turkey process-

ing is nearing its peak. So, investigate fresh pork cuts for values in loin roasts and look for pre-Thanksgiving sales in turkeys.

FRUIT VALUES GALORE

The last of Pennsylvania's apples are now off the trees. Because of excellent cold storage and "controlled atmosphere" storages available, you can enjoy these top quality apples until May or June of next year. In addition to apples you'll find plenty of bananas from the tropics, cranberries from the Northeast, grapes and pears from the West and citrus from the South and West.

DRINKS VS. JUICES

With the extensive freeze damage to citrus products last December more fruit drinks are reaching the supermarket shelves. Fruit drinks are intermingled with fruit juices so it's recommended buyers read the label. Fruit juices must contain juice from the natural fruit, whereas a fruit drink is usually made from artificial flavoring and color. Fruit drinks are being widely featured these days and usually sell for a lower price than fruit juices.

When you are baking a spice cake, you should—as a rule—sift the spices with the dry ingredients to make sure they are evenly distributed.

A Lovelier You

By MARY SUE MILLER

LET'S NOT BE CAGEY. When it comes to their figures, women fret most over waist and hip measurements. Yet an excess inch at either spot is less of a threat to the figure's symmetry than were it carried at the diaphragm. For, added to the bulk of the ribs, even an extra ounce looks like a pound.

Moreover, overpadding affects

the contours of the bosom and waist. The natural definition between the two areas is lost and, as a consequence, the whole top-side of the figure seems dumpty—Whether or not it really is. The trimmest waist and bosomline, with a blimp of flesh between, appear thickened. Need we mention the effect on less sterling proportions?

So that just about puts diaphragm reduction on a needy girl's priority list. Here's how to go about it:

1. Stretch out, back on floor, with legs straight and arms at sides. Keeping shoulders on floor, raise head and jack-knife legs so that knees come up to waist level. Now try to touch knees to nose. After three tries, very gradually return to stretched out position. Repeat 10 times.

2. Sit erect and cross-legged on floor. Pull abdomen in, chest up and shoulders down. Holding position, take a deep breath and slowly exhale. Repeat five to 10 times, working for increased expansion and contraction of rib cage.

MIDRIFF SLIMMERS

To solve the riddle of extra inches around your middle, send today for my leaflet, MIDRIFF SLIMMERS. It contains quick, easy reducing exercises for slimming diaphragm, waist and abdomen. Write Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a stamped, self-addressed envelope and five cents in coin to cover handling.

U.S. Prestige Low, Goodling Asserts

WASHINGTON (AP) — The International Olympics Committee's recent vote to hold the 1968 games in Mexico City proves America's prestige is low, says Rep. George A. Goodling, R-Pa. "The Olympic vote was definitely a measure of our prestige and like old Mother Hubbard's cupboard, it was practically bare," said Goodling Tuesday.

The United States, he continued, has spent more than \$100 billion in foreign aid since 1948 but has brought only spite, envy, distrust and hate.

Goodling said that Olympic officials admitted Detroit had made the best presentation of any city seeking the games.

Says Justice Dept. Ok'd GOP Action

HARRISBURG (AP) — The U.S. Justice Department found nothing wrong with solicitation of state employees for the Pennsylvania Republican Club, according to a letter released by GOP State Chairman Craig Truax.

Truax said Tuesday the letter was sent from John E. Nolan Jr., administrative assistant in the Justice Department, to Democratic State Chairman Otis B. Morse.

Morse had called on the Justice Department to investigate the situation to determine whether solicitation of state employees was in violation of the Hatch Act or any other laws.

Executive director, said in a letter to the governor that the Senate recently completed action on a bill easing the repayment burden.

Pennsylvania borrowed the money in several stages in the late 1950s to keep the jobless insurance fund in the black.

The first payment is due Nov. 10. If it is not met state employers would be subjected to additional taxes of 3 per cent.

Note to new cooks: when you are making a pastry shell that is to be baked without a filling, always prick both the sides and bottom of the pastry with the tines of a fork before the pastry goes into the oven. The pricking will help to prevent shrinkage.

James MARLOW Reports

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP) — Need-
ed: one mind-reader.

The Russians had no sense — on the surface — in what they have done. Twice, in mid-October and in the past two days, they blockaded American military convoys going to and from Berlin in East Germany.

The reason they gave: They wanted to count the number of troops in the convoy. The Americans refused to get out and be counted. That's too thin an excuse for the tension caused.

Both times the Russians abandoned the blockade without explanation. Their newspaper, Pravda, said "much ado about nothing." That was in October. Now they have done it again.

BALKED AT COST

You could think up reasons and none might be true. The Soviet actions make even less sense — on the surface — when considered against what was happening elsewhere.

October 3—President Kennedy announced this country would sell Russia \$250 million worth of wheat. The Russians had to consider this a friendly move, even though it caused controversy for Kennedy.

He made one provision: The wheat had to be "hailed in American ships—which charge more than foreign ships—but foreign ships could be used "as required." As it turned out, the Soviets balked at this extra, high cost.

OTHER EVENTS LINKED

Oct. 10 — The Soviets began the blockade but several other things happened that day. For one, it was the day the limited nuclear ban treaty went into effect, a treaty which certainly was a possible step toward better relations.

And that same day Premier Khrushchev messaged optimism to Kennedy about future American-Soviet relations. And that same day Kennedy conferred at the White House with Soviet Foreign Minister Andrei Gromyko.

The two men agreed to search for new agreements to end East-West tensions. Gromyko said he didn't know anything about the blockade. But just a year before, at the White House with Kennedy when Khrushchev was shipping missiles into Cuba, Gromyko expressed ignorance about that too.

EXCHANGE SPIES

Oct. 11—The United States and Russia announced they were exchanging persons — two on each side — who had been charged with spying, although this swap had been under discussions for weeks and perhaps months.

But that day the Russians continued to blockade the American convoys.

Oct. 12 — The Russians suddenly lifted the blockade. The Kennedy administration attributed it to a misunderstanding.

STARTED AGAIN

Oct. 31—At his news conference Kennedy said Khrushchev had steadily been pulling his troops out of Cuba. Since the presence of those troops in Cuba had kept Americans angry, their withdrawal could be considered friendly.

Then it started again. Nov. 4—The Russians blockaded another convoy in East Germany. The State Department called this action very serious and "completely unacceptable to us." There were calls in Congress to smash the blockade.

NOT AN ACCIDENT

Then late Tuesday once again the Russians lifted the blockade. The fact that the Russians had twice invoked a blockade disproved any suggestion that the first blockade was misunderstanding or an accident.

Why did it all happen? One guess is as good as another. All might be wrong except for the evidence that it was not an accident.

Was it an attempt to put heat on Kennedy to force him into a compromise or abandoning the condition he laid down about shipping wheat to Russia on high-priced American ships?

SOME POSSIBILITIES

Was it a nudge to this country not to get giddy about the prospects of truly better relations

any time soon since the Russians want concessions from this country on a number of problems?

Was it Khrushchev's attempt to show the world, particularly the Communist world in which the Red Chinese have called the Russians weak sisters, that Moscow wasn't getting soft with the West?

Was it just meant to show the Russian Communist party, meeting Nov. 7, that Khrushchev has plenty of muscle

when he wants to use it? Or was it the United States he was trying to tell this to?

Or—and this is as valid as any other guess—was this the reason:

To try to browbeat this country into a concession—since a blockade could lead to much worse—on something cooking between this country and Moscow but not yet revealed to the public?

ADVERTISE IN THE TIMES

CLEAN RULE WINS FOR GOP

READING, Pa. (AP) — Republicans, making the most of federal grand jury indictments against two high city officials, swept most of the Reading municipal and Berks County offices Tuesday, the first big win for the GOP here since 1951. The Republicans campaigned

with promises to restore clean government and brought up the grand jury indictments against Mayor John C. Kubacki on extortion charges and Police Chief Charles S. Wade on perjury charges. They also reminded voters of investigations in the county by outside law enforcement agencies.

LOST IN PRIMARY

Kubacki was defeated in the primary by Harold E. Guldin. Observers said the primary battle split the local Democrats,

who held better than a two-to-one voter registration over the Republicans, 32,059 to 12,023.

In Tuesday's voting Republican Eugene Shirk defeated Guldin for mayor. In unofficial complete returns Shirk had 18,447 to 14,223 votes for guldin.

In the race for the district attorney's office, Republican W. Richard Eshelman of Sink in Spring polled 44,991 to 37,996 for Democrat Forrest G. Schaeffer Jr., of Kutztown. Voters also turned out a sitting Democratic

judge, Wilson Austin on the Court of Common Pleas. He was defeated by Republican James W. Bertolet.

In the city, the only Democrat to win was John L. Hock for the treasurer's post.

WASHINGTON (AP) — The Philco Corp., Blue Bell, Pa., has been awarded a \$2,032,500 contract for continued work on an air-ground communications system for the Air Force, it was announced Tuesday.
